WHAT IS COVERED?

Introduction

This section describes the Health Care Services that are covered under this Contract. All benefits for Covered Services are subject to: 1) your share of the cost and the benefit maximums listed on your Schedule of Benefits; 2) the applicable Allowed Amount, 3) any limitations and exclusions, as well as any other provisions contained in this Contract, and 4) our Medical Necessity guidelines then in effect (see the MEDICAL NECESSITY and BLUEPRINT FOR HEALTH PROGRAMS sections).

Remember that exclusions and limitations also apply to your coverage. Exclusions and limitations that are specific to a type of Service are included with the benefit description in this section. There are other exclusions and limitations listed in the WHAT IS NOT COVERED? section and, in some cases, separate Endorsements that are part of this Contract. More than one limitation or exclusion may apply to a specific Service or a particular situation.

We will provide coverage for the Health Care Services listed in this section only if they are:

1. Authorized in advance by us, if prior coverage authorization is required (see the BLUEPRINT FOR HEALTH PROGRAMS section);
2. within the Covered Services categories in this section;
3. actually rendered to you (not just recommended) by an appropriately licensed health care Provider who is recognized by us for payment;
4. billed to us on a claim form or itemized statement that lists the procedures and Services rendered to you. Claims and statements should include procedure codes, diagnosis codes and other information we require to process the claim;
5. Medically Necessary, as defined in this Contract and determined by us in accordance with our Medical Necessity coverage criteria in effect at the time Services are provided or authorized;
6. within our benefit guidelines listed in this section;
7. rendered while your coverage is in force; and
8. not specifically or generally limited or excluded under this Contract.

We will determine whether Services are Covered Services under this Contract after you have obtained them and we have received a claim for them. In some cases we may determine if Services are Covered Services under this Contract before they are rendered to you. For example, we may determine if a transplant would be a Covered Service under this Contract before you have the transplant.

We are not obligated to determine if a Service that has not been provided to you will be covered unless we have designated that the Service must be authorized in advance in the BLUEPRINT FOR HEALTH PROGRAMS section. We are also not obligated to cover or pay for any Service that has not actually been rendered to you.

In determining if Health Care Services are Covered Services under this Contract, no written or verbal representation by any employee or agent of Florida Blue or by any other person shall waive or modify the

terms of this Contract and, therefore, neither you nor any health care Provider or other person should rely on any such written or verbal representation.

Our Benefit Guidelines

In providing benefits for Covered Services, we may apply the benefit guidelines listed below as well as any other applicable payment rules specific to certain types of Services:

1. Our payment is based on our Allowed Amount and not necessarily the Provider's billed charges.
2. Our payment for certain Health Care Services is included within the Allowed Amount for the primary procedure, and we will not pay additional amounts for any such Services.
3. Our payment is based on the Allowed Amount for the actual Service you received. Payment is not based on:
 - a. a Service that is more complex than the Service you actually received;
 - b. the method used to perform the Service; or
 - c. the day of the week or the time of day the procedure is performed.
4. Some Services that have several components can be described by a single procedure code. In these cases, our payment for such Services includes all components of the Service under that one procedure code. This is also true when a Service is an essential or integral part of the associated therapeutic/diagnostic Service rendered.
5. Services that are subject to an Exclusive Provider Provision are only Covered Services when rendered or authorized by the Provider designated solely by us, as the Exclusive Provider or Exclusive Pharmacy for the particular Services, except when such Services are required for Emergency Services for the treatment of an Emergency Medical Condition.

Covered Services Categories

Allergy Testing and Treatments

Testing and desensitization therapy (e.g., injections) and the cost of hyposensitization serum may be covered. The Allowed Amount for allergy testing is based upon the type and number of tests performed by the Physician. The Allowed Amount for allergy immunotherapy treatment is based upon the type and number of doses.

Ambulance Services

Ground Ambulance

Ground Ambulance Services for Emergency Medical Conditions and limited non-emergency ground transport may be covered only when:

1. For Emergency Medical Conditions – it is Medically Necessary to transport you from the place an Emergency Medical Condition occurs to the nearest Hospital that can provide the Medically Necessary level of care. If it is determined that the nearest Hospital is unable to provide the Medically Necessary level of care for the Emergency Medical Condition, then coverage for

Ambulance Services shall extend to the next nearest Hospital that can provide Medically Necessary care; or

2. For limited non-emergency ground Ambulance transport – it is Medically Necessary to transport you by ground:
 - a. from an Out-of-Network Hospital to the nearest In-Network Hospital that can provide care;
 - b. to the nearest In-Network or Out-of-Network Hospital for a Condition that requires a higher level of care that was not available at the original Hospital;
 - c. to the nearest more cost-effective acute care facility as determined solely by us; or
 - d. from an acute facility to the nearest cost-effective sub-acute setting.

Note: Non-emergency Ambulance transportation meets the definition of Medical Necessity only when the patient's Condition requires treatment at another facility and when another mode of transportation, whether by Ambulance or otherwise (regardless of whether covered by us or not) would endanger the patient's medical Condition. If another mode of transportation could be used safely and effectively, regardless of time, or mode (e.g. air, ground, water) then Ambulance transportation is not Medically Necessary.

Air and Water Ambulance

Air and water Ambulance coverage is specifically limited to transport due to an Emergency Medical Condition when the patient's destination is an acute care Hospital, and:

1. the pick-up point is not accessible by ground Ambulance, or
2. speed in excess of the ground vehicle is critical for your health or safety.

Air and water Ambulance transport for non-emergency transport is excluded unless it is specifically approved by us in advance of the transport.

Exclusion

Ground, air and water Ambulance Services for situations that are not Medically Necessary because they do not require Ambulance transportation including but not limited to:

1. Ambulance Services for a patient who is legally pronounced dead before the Ambulance is summoned.
2. Aid rendered by an Ambulance crew without transport. Examples include, but are not limited to situations when an Ambulance is dispatched and:

 - b. the patient refuses care or transport; or
 - c. only basic first aid is rendered.
3. Non-emergency transport to or from a patient's home or a residential, domiciliary or custodial facility.
4. Transfers by medical vans or commercial transportation (such as Physician owned limousines, public transportation, cab, etc.).

5. Ambulance transport for patient convenience or patient and/or family preference. Examples include but are not limited to:
 - a. patient wants to be at a certain Hospital or facility for personal/preference reasons;
 - b. patient is in a foreign country, or out-of-state, and wants to return home for a surgical procedure or treatment (or for continued treatment) or after being discharged from inpatient care; or
 - c. patient is going for a routine Service and is medically able to use another mode of transportation but can't pay for, find and/or prefers not to use such transportation.

10. chemotherapy treatment for proven malignant disease; and
11. other Medically Necessary Services.

Anesthesia Administration Services

Anesthesia administered by a Physician or Certified Registered Nurse Anesthetist ("CRNA") may be covered. Clinical Trials

Clinical trials are research studies in which Physicians and other researchers work to find ways to improve care. Each study tries to answer scientific questions and to find better ways to prevent, diagnose, or treat patients. Each trial has a protocol which explains the purpose of the trial, how the trial will be performed, who may participate in the trial, and the beginning and end points of the trial.

If you are eligible to participate in an Approved Clinical Trial, routine patient care for Services furnished in connection with your participation in the Approved Clinical Trial may be covered when:

1. An In-Network Provider has indicated such trial is appropriate for you, or
2. you provide us with medical and scientific information establishing that your participation in such trial is appropriate.

Routine patient care includes all Medically Necessary Services that would otherwise be covered under this Contract, such as doctor visits, lab tests, x-rays and scans and hospital stays related to treatment of your Condition and is subject to the applicable Cost Share(s) on the Schedule of Benefits.

Even though benefits may be available under this Contract for routine patient care related to an Approved Clinical Trial you may not be eligible for inclusion in these trials or there may not be any trials available to treat your Condition at the time you want to be included in a clinical trial.

Note: A plan generally may not restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery; or less than 96 hours following a cesarean section. However, this does not prohibit the mother's or newborn's attending Provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 as applicable). In any case a plan can only require that a Provider obtain authorization for prescribing an inpatient Hospital stay that exceeds 48 hours (or 96 hours).

More detailed information, such as medical management programs or limitations, on Services that are covered under the Preventive Services category is available in the Preventive Services Guide located on our website at www.floridablue.com/healthresources. Drugs or Supplies covered as Preventive Services are described in the Medication Guide. In order to be covered as a Preventive Service under this section, the Service must be provided as described in the Preventive Services Guide or, for Drugs and Supplies, in the Medication Guide.

Note: From time to time medical standards that are based on the recommendations of the entities listed in numbers 1 through 4 above change. Services may be added to the recommendations and sometimes may be removed. It is important to understand that your coverage for these preventive Services is based on what is in effect on your Effective Date. If any of the recommendations or guidelines change after your Effective Date, your coverage will not change until your first Anniversary Date one year after the recommendations or guidelines go into effect.

For example, if the USPSTF adds a new recommendation for a preventive Service that we do not cover and you are already covered under this Contract; that new Service will not be a Covered Service under

this category right away. The coverage for a new Service will start on your Anniversary Date one year after the new recommendation goes into effect.

Pharmacy Participation Status

For purposes of this section, there are two types of Pharmacies: Exclusive Pharmacies and Out-of-Network Pharmacies.

Exclusive Pharmacies

Exclusive Pharmacies have agreed not to charge, or collect from, you, more than the amount set forth in the Schedule of Benefits for each Covered Prescription Drug, Covered Prescription Supply and/or Covered OTC Drug.

To verify if a Pharmacy is an Exclusive Pharmacy, you may refer to the provider directory then in effect at www.floridablue.com or call the customer service phone number on your ID Card.

Prior to purchase, you must pay your Cost Share amount as listed in the Schedule of Benefits and present your ID Card and the Pharmacy must be able to verify that you are, in fact, covered by us.

When charges for Covered Prescription Drugs, and Supplies or Covered OTC Drugs by an Exclusive Pharmacy are less than the required Copayment, the amount you pay will depend on the agreement then in effect between the Pharmacy and us or our Pharmacy Benefit Manager, and will be one of the following:

1. The usual and customary charge of such Pharmacy as if it were not an Exclusive Pharmacy;
2. The charge under the Pharmacy's agreement with us or our Pharmacy Benefit Manager; or
3. The Copayment, if less than the usual and customary charge of such Pharmacy.

Specialty Pharmacy

Certain medications, such as injectable, oral, inhaled and infused therapies used to treat complex medical Conditions are typically more difficult to maintain, administer and monitor when compared to traditional Drugs. Specialty Drugs may require frequent dosage adjustments, special storage and handling and may not be readily available at local Pharmacies or routinely stocked by Physicians' offices, mostly due to the high cost and complex handling they require.

These Specialty Drugs can only be purchased from a Specialty Pharmacy. Specialty Pharmacies are a subset of Exclusive Pharmacies and are designated solely by us, as the Pharmacies where you can purchase Specialty Drugs under this Pharmacy Program. Any Pharmacy not designated by us as a

Specialty Pharmacy is considered Out-of-Network for Specialty Drugs, even if such Pharmacy is an Exclusive Pharmacy for other Covered Prescription Drugs under this BlueSelect Pharmacy Program.

For additional details on how to obtain Covered Prescription Specialty Drugs from a Specialty Pharmacy, refer to the Medication Guide.

Mail Order Pharmacy

For details on how to order Covered Prescription Drugs and Supplies and Covered OTC Drugs from the Mail Order Pharmacy, refer to the Mail Order Pharmacy Brochure or the Medication Guide.

Note: Specialty Drugs are not available through the Mail Order Pharmacy.

Out-of-Network Pharmacies

A Prescription Drug, OTC Drug or Self-Administered Injectable Prescription Drug purchased from an Out-of-Network Pharmacy is covered under this Pharmacy Program **only** if for Emergency Services or authorized by us.

When Covered Prescription Drugs and Supplies or Covered OTC Drugs are purchased from an Out-of-Network Pharmacy for Emergency Services or when authorized by us, you may have to pay the full cost of the Drug at the time of purchase.

In order to be reimbursed for Covered Prescription Drugs and Supplies or Covered OTC Drugs purchased from an Out-of-Network Pharmacy, you must submit an itemized paid receipt to us at the address on your ID Card.

Pharmacy Utilization Review Programs

Our pharmacy utilization review programs are intended to help educate and encourage the responsible use of Drugs and Supplies. Please review the following information so that you know what you may need to do in order to get the medication you need, without delays at the Pharmacy, and at a lower Cost Share.

We may, in our sole discretion, require that Prescriptions from your Provider for select Prescription Drugs and Supplies or OTC Drugs be reviewed under our pharmacy utilization review programs then in effect, in order for them to be covered. Under these programs, there may be limitations or conditions on coverage for select Prescription Drugs and Supplies and OTC Drugs, depending on the quantity, frequency, or type of Drug or Supply your Provider prescribed.

Note: If coverage is not available through these programs, or is limited, this does not mean that you cannot get the Drug or Supply from the Pharmacy. It only means that we will not cover or pay for the Drug or Supply. You are always free to purchase the Drug or Supply at your sole expense.

Our pharmacy utilization review programs include the following:

Responsible Steps Program

Many medical Conditions have several Drug treatment options that have been approved by the FDA, which means there may be a lower cost Drug that will effectively treat your Condition. Under the responsible steps program, certain Prescription Drugs and OTC Drugs may not be covered unless you have first tried one or more designated Drugs identified in the Medication Guide.

Your Physician must contact us to request coverage for a Prescription Drug that is part of the responsible steps program prior to prescribing the Drug. In order to be covered, such Prescription Drugs and OTC Drugs prescribed by your Physician, we must receive written documentation from your Physician that the designated Drugs in the Medication Guide are not appropriate for you because of a documented allergy, ineffectiveness or side effects.

Responsible Quantity Program

Safety limits apply to certain Drugs based on the drug maker and FDA's guidelines. For example, your Physician may prescribe 12 tablets for a One-Month Supply and the prescribed Drug may have a 9 tablet limit for a One-Month Supply. Under this program, any Prescription Drug or OTC Drug prescribed in excess of the Maximum specified in the Medication Guide may not be covered. If your Physician prescribes more than the Maximum quantity listed in the Medication Guide, you can either pay for the additional amount yourself or ask your Physician to request an authorization from us.

Prior Authorization Program

Certain Prescription Drugs and Supplies and OTC Drugs require prior authorization from us in order to be covered. **If you do not obtain an authorization when one is required we will deny coverage.** Prescription Drugs and Supplies and OTC Drugs that require prior authorization are marked in the Medication Guide with a special symbol.

If your Provider prescribes a medication for you that requires prior authorization, ask him or her to get an authorization for you before you go to pick it up. When the prior authorization decision has been made, we will let you and your Provider know.

Note: Prior Coverage Authorizations expire on the earlier of, but not to exceed 12 months:

1. the termination date of your policy, or
2. the period authorized by us, as indicated in the letter you receive from us.

Subject to our review and approval, we may authorize continued coverage of a previously approved Prescription Drug. To request a continuation we must receive appropriate documentation from your Provider. The fact that we may have previously authorized coverage does not guarantee a continued authorization.

Information on our pharmacy utilization review programs is published in the Medication Guide which can be accessed at www.floridablue.com or you may call the customer service phone number on your ID Card. Your Pharmacist may also tell you if a Prescription Drug or OTC Drug requires prior coverage authorization.

Ultimate Responsibility for Medical Decisions

The pharmacy utilization review programs have been established solely to determine whether coverage or benefits for Prescription Drugs, Supplies and OTC Drugs will be provided under the terms of this Contract. Ultimately the final decision as to whether the Prescription Drug, Supply or OTC Drug should be prescribed must be made by you and the prescribing Physician. Decisions made by us in authorizing coverage are made only to determine whether coverage or benefits are available under this Pharmacy Program and not for the purpose of providing or recommending care or treatment. We reserve the right to modify or terminate these programs at any time.

Any and all decisions that require or pertain to independent professional medical judgment or training, or the need for a Prescription Drug, Supply or OTC Drug, must be made solely by you and your treating Physician in accordance with the patient/Physician relationship. It is possible that you or your treating Physician may conclude that a particular Prescription Drug, Supply or OTC Drug is needed, appropriate, or desirable, even though such Prescription Drug, Supply or OTC Drug may not be authorized for coverage by us. In such cases, it is your right and responsibility to decide whether the Prescription Drug, Supply or OTC Drug should be purchased even if we have indicated that we will not pay for such Prescription Drug, Supply or OTC Drug.

Quality Assurance

Quality assurance is a formal methodology and set of activities designed to assess the quality of Health Care Services provided. Quality assurance includes formal review of care, problem identification, corrective actions to remedy identified deficiencies and evaluation of actions taken. MEDICAL NECESSITY

In order for Health Care Services to be covered under this Contract, the Services must meet all of the requirements to be a Covered Service, including being Medically Necessary, as determined by us and defined in this Contract.

It is important to remember that any time we review Services for Medical Necessity it is solely for the purpose of determining coverage, benefits or payment under the terms of this Contract and not for the purpose of recommending or providing medical care. When we review for Medical Necessity, we may review specific medical facts or information about you. Any such review, however, is strictly for the purpose of determining whether the Service provided or proposed meets the definition of Medical Necessity in this Contract. In applying the definition of Medical Necessity to a specific Service, we may apply our coverage and payment guidelines then in effect.

All decisions that require or pertain to independent professional medical/clinical judgment or training, or the need for medical Services, are solely your responsibility and that of your treating Providers. You and your Providers are responsible for deciding what medical care you should have and when that care should be provided. We are solely responsible for determining whether expenses incurred for that medical care are covered under this Contract. In making coverage decisions, we will not be deemed to participate in or override your decisions concerning your health or the medical decisions of your health care Providers.

The following are a few examples of hospitalization and other Services that are not Medically Necessary:

1. staying in the Hospital because arrangements for discharge have not been completed;
2. use of laboratory, x-ray, or other diagnostic testing that has no clear indication, or is not expected to alter your treatment;
3. staying in the Hospital because supervision in the home, or care in the home, is not available or is inconvenient; or being hospitalized for any Service which could have been provided adequately in an alternate setting (e.g., Hospital outpatient department or at home with Home Health Care Services); or
4. inpatient admissions to a Hospital, Skilled Nursing Facility, or any other facility for the purpose of Custodial Care, convalescent care, or any other Service primarily for the convenience of the patient or his or her family members or a Provider.

Note: Whether or not a Service is specifically listed as an exclusion, the fact that a Provider may prescribe, recommend, approve, or furnish a Service does not mean that the Service is Medically Necessary (as determined by us and defined in this Contract) or a Covered Service. You are free to obtain a Service even if we deny coverage because the Service is not Medically Necessary; however, you will be solely responsible for paying for the Service. Please refer to the DEFINITIONS section for the definition of "Medically Necessary or Medical Necessity".

YOUR SHARE OF HEALTH CARE EXPENSES

This section explains what your share of the health care expenses may be for Covered Services you receive. Since not all plans include all the different types of Cost Share explained in this section, it is important that you look at your Schedule of Benefits to see your share of the cost for specific Covered Services.

WARNING: LIMITED BENEFITS WILL BE PAID WHEN NONPARTICIPATING PROVIDERS ARE USED.

You should be aware that when you elect to utilize the services of a nonparticipating provider for a covered nonemergency service, benefit payments to the provider are not based upon the amount the provider charges. The basis of the payment will be determined according to your policy's out-of-network reimbursement benefit. Nonparticipating providers may bill insureds for any difference in the amount. **YOU MAY BE REQUIRED TO PAY MORE THAN THE COINSURANCE OR COPAYMENT AMOUNT.** Participating providers have agreed to accept discounted payments for services with no additional billing to you other than coinsurance, copayment, and deductible amounts. You may obtain further information about the providers who have contracted with your insurance plan by consulting your insurer's website or contacting your insurer or agent directly.

Deductibles

A deductible is a fixed dollar amount that you must pay before we begin to pay for Covered Services. There are different types of deductibles; some that apply to most Covered Services on your plan and some that apply only to a specific type of Service. Listed below are the different types of deductibles and a brief explanation of how they work. You will need to look at your Schedule of Benefits to find out what types of deductibles (if any) apply to your plan.

Rules for applying charges to deductibles:

- We can only apply charges for claims we actually receive;
- Only charges for Covered Services will be applied; and
- We will only apply the amount of charges up to our Allowed Amount.

Overall Deductible (DED)

This deductible applies to most of the Covered Services on your plan before we begin to pay for Covered Services. When we talk about this type we just call it "Deductible" and on the Schedule of Benefits "DED". Some Covered Services, such as Preventive Services, do not apply the Deductible when you use In-Network Providers, so be sure to look at your Schedule of Benefits. After the Deductible has been met, neither you nor your Covered Dependents (if any) will have any additional Deductible amount for the rest of that Calendar Year. The Deductible starts over every year on January 1st.

There are individual and family Deductibles, both of which apply on a Calendar Year basis:

Individual Calendar Year Deductible

If you are the only person on your plan, you only have to reach the individual Deductible and the family Deductible listed on your Schedule of Benefits does not apply to you. This amount, when applicable,

must be satisfied by you each Calendar Year before any payment will be made by us. If more than one person is on your plan, the amount each person has to reach depends on the type of family Deductible described below.

Family Calendar Year Deductible

If you have one or more family members on your plan, the family Deductible can be satisfied by any one Covered Person or a combination of Covered Persons depending on the type of Deductible described below.

Embedded Deductible

If your Schedule of Benefits indicates that the Deductible is embedded, each Covered Person only needs to satisfy the individual Deductible and not the entire family Deductible, prior to us paying for Covered Services for that Covered Person. We will not begin to pay for Covered Services for the other family members until they either satisfy the individual Deductible or until the family Deductible is met. The family Deductible is met when any combination of family members' costs for Covered Services meets the family Deductible limit. The maximum amount that any one Covered Person in your family can contribute toward the family Deductible is the amount applied toward that person's individual Deductible.

Shared Deductible

If your Schedule of Benefits indicates that the family Deductible is Shared, the entire family Deductible must be met by any one Covered Person or a combination of any or all Covered Persons before we will begin to pay for Covered Services for any Covered Person under your plan.

Copayments

A Copayment is a fixed dollar amount you must pay when you receive certain Covered Services. Listed below are the different types of Copayments and a brief explanation of how they work. If our Allowed Amount or the Provider's actual charge for a Covered Service rendered is less than the Copayment amount, you will pay the lesser of our Allowed Amount or the Provider's actual charge for the Covered Service. Not all plans have Copayments, so be sure to look at your Schedule of Benefits.

Copayments:

- must be paid at the time you receive the Services;
- apply before any payment will be made by us;
- apply regardless of the reason for the Service; and
- usually apply to all Services rendered during the visit, but there are exceptions to this rule, so be sure to check your Schedule of Benefits and the brief explanations below.

Office Services Copayment

An office Services Copayment applies to each office visit and applies to all Covered Services rendered during that visit, except for Durable Medical Equipment, Medical Pharmacy, Orthotics and Prosthetics, which may require Cost Share amounts in addition to the Copayment.

Inpatient Facility Services Copayment

The inpatient facility Copayment only applies to the inpatient facility (such as a Hospital) and you must pay it for each inpatient admission. Remember that there may be additional Cost Share amounts you will have to pay for Covered Services provided by Physicians and other health care professionals while you are an inpatient.

Outpatient Facility Services Copayment

The outpatient facility Copayment only applies to an outpatient facility and you must pay it for each outpatient visit. Remember that there may be additional Cost Share amounts you will have to pay for Covered Services provided by Physicians and other health care professionals while using these facilities.

Note: Copayments for outpatient facility Services may vary depending on the type of facility chosen and the Services received. Please see your Schedule of Benefits for more information. If your plan includes a Copayment for emergency room Services and you are admitted to the Hospital as an inpatient at the time of the emergency room visit, this Copayment will be waived, and you will pay the Cost Share that applies to inpatient facility Services.

Coinsurance

Coinsurance is a percentage of our Allowed Amount that you must pay before we will pay our portion of the Allowed Amount for Covered Services. The Coinsurance percentage is figured after all other Cost Share amounts for a given Service, such as Deductible. Not all plans have Coinsurance, so be sure to look at your Schedule of Benefits.

Note: If a particular Covered Service is not available from any In-Network Provider, the Coinsurance percentage that we will base payment on for that Covered Service will not be less than ten (10%) percentage points lower than the Coinsurance percentage we would have based payment on had the Covered Services been available from an In-Network Provider.

For example, if the In-Network Coinsurance for your plan were 80%, the Coinsurance percentage that would be used as a base for Covered Services as described above would be between 70% and 80% of the Allowed Amount. In this example, the Coinsurance percentage used as the basis for payment would not be less than 70% of the Allowed Amount.

Application of Multiple Cost Share Types

When a Service is subject to more than one type of Cost Share, the Schedule of Benefits will list the Cost Share types in the order in which they apply to the Service. For example, when the Schedule shows "\$100 Copay then DED"; this means that the Copay is applied first and then, if you have not reached the Deductible; the Deductible is applied to the remainder of that Service, up to the Allowed Amount. If you have already met the plan Deductible; then only the Copay is applied.

Remember that when you use Out-of-Network Providers, your Cost Share amounts only apply to the Allowed Amount. Any Out-of-Network Provider charges over the Allowed Amount are not covered and do not count towards your Cost Share or Out-of-Pocket Maximums.

Out-of-Pocket Maximums

An out-of-pocket maximum is the Calendar Year limit on Cost Share amounts that you have to pay for a given Calendar Year for Health Care Services that are Covered Services under this Contract. After you have paid this dollar amount in Cost Share, you will have no additional Cost Share for the rest of that Calendar Year and we will pay 100 percent of our Allowed Amount for Covered Services rendered during the rest of that Calendar Year.

Individual Calendar Year Out-of-Pocket Maximum

If you are the only person on your plan, only the individual out-of-pocket maximum applies to you and the family out-of-pocket maximum listed on your Schedule of Benefits does not apply to you. After you have reached the individual out-of-pocket maximum, you will have no additional Cost Share for the rest of that Calendar Year and we will pay 100 percent of our Allowed Amount for Covered Services rendered during the rest of that Calendar Year. If more than one person is on your plan the amount each person has to reach depends on the type of out-of-pocket maximum described below.

Family Calendar Year Out-of-Pocket Maximum

If you have one or more family members on your plan, the family out-of-pocket maximum can be satisfied by any one Covered Person or a combination of Covered Persons depending on the type of out-of-pocket maximum described below.

Embedded Out-of-Pocket Maximum

If your Schedule of Benefits indicates that the out-of-pocket maximum is embedded, when any one Covered Person meets the individual out-of-pocket maximum, that Covered Person will have no additional Cost Share for the rest of the Calendar Year. The rest of the family must continue satisfying their out-of-pocket maximum until the family out-of-pocket maximum is met. The maximum amount that any one Covered Person in your family can contribute toward the family out-of-pocket maximum is the amount applied toward that person's individual out-of-pocket maximum.

Shared Out-of-Pocket Maximum

If your Schedule of Benefits indicates that the out-of-pocket maximum is shared, any one Covered Person or a combination of any or all Covered Persons can meet the family out-of-pocket maximum. Once the family out-of-pocket maximum is met, neither you nor your Covered Dependents will have to pay any additional Cost Share for Covered Services for the rest of the Calendar Year.

All Cost Share amounts you pay toward the Covered Services explained in this Contract will apply to the out-of-pocket maximum, such as Deductibles, Copayments and Coinsurance. The following charges **will not apply** to the out-of-pocket maximums and when you have reached the out-of-pocket maximum, **you will still have to pay** these charges:

- Premium amounts you must pay;
- charges for Services that are not covered;
- charges that are in excess of our Allowed Amount; and
- any benefit penalties.

How We Will Credit Benefit Maximums

We will only credit the amounts we actually pay for Covered Services to any benefit maximums on your plan. The amounts we pay are based on our Allowed Amount for the Covered Services provided. You will need to look at your Schedule of Benefits to find out if any benefit maximums apply to your plan.

Prior Coverage Credit

We will give you credit for the satisfaction or partial satisfaction of any Deductible or out-of-pocket maximums met by you under a prior Florida Blue Contract maintained by you that is replaced with this Contract during the Calendar Year. This provision only applies if the prior coverage purchased by you was in effect immediately preceding the Effective Date of this Contract.

Prior coverage credit toward the Deductible or out-of-pocket maximums will only be given for Health Care Services, which would have been Covered Services under this Contract.

Special Rule for Capitated Providers

We typically pay In-Network Providers for Covered Services provided to you based upon that Providers' negotiated Allowed Amount with us. This form of payment to Providers is called "fee-for-service." In these circumstances, the amount you are responsible for paying for Covered Services will be based upon our actual Allowed Amount negotiated with the rendering Provider and will be credited toward applicable Deductibles and out-of-pocket maximums and/or used to calculate your Coinsurance.

In other circumstances under the agreements we have with In-Network Providers we may pay a set monthly amount per individual to cover the cost of providing Covered Services to you, whether or not care is actually provided during the month. This form of payment is called "capitation." In these instances, when you receive Covered Services from such a Provider, the amounts you are responsible for paying and the applicable credit toward any Deductible or out-of-pocket maximums may be, as determined by us, based upon the amounts we could have paid for such Covered Services to an In-Network Provider of the same or similar provider type licensed to provide such services but not paid on a capitation basis (based on our Allowed Amounts then in effect for such Covered Services). Similarly, in these instances, the amounts you will owe for Coinsurance may be calculated, as determined by us, utilizing the amounts we could have paid an In-Network Provider of the same or similar provider type licensed to provide such services but not paid on a capitated basis (based upon our Allowed Amounts for such Covered Services). The comparison form of payment utilized for this purpose, in the case of such a same or similar In-Network Provider, is fee-for-service payment. Further, in those circumstances where services provided were paid on a capitation basis but such Provider may be paid fee-for-service by us for the same or similar services for other individuals, we may utilize the fee-for-service amounts for such same or similar services when calculating the credits toward applicable Deductibles and out-of-pocket maximums and/or use such fee-for-service amounts to calculate your Coinsurance.

Calculation of Cost Share

You can get an estimate on our website at www.floridablue.com, of the Cost Share amount you will have to pay for certain Covered Services, as required under section 627.6385 of the Florida Statutes.

Additional Expenses You Must Pay

In addition to your share of the expenses described above, you are also responsible for:

1. charges in excess of any maximum benefit limitation listed in your Schedule of Benefits;
2. expenses for claims denied because we did not receive information requested from you regarding whether or not you have other coverage and the details of such coverage;
3. charges in excess of the Allowed Amount for Covered Services rendered by Providers who have not agreed to accept our Allowed Amount as payment in full;
4. any benefit reductions/benefit penalties;
5. charges for Health Care Services which are non-Covered Services or excluded;
6. the Premium applicable to your Contract; and
7. charges incurred for Services you receive that are subject to an Exclusive Provider Provision rendered by or through any Provider other than the Provider designated solely by us, as the Exclusive Provider or Exclusive Pharmacy for such Services, except when such Services are required for Emergency Services for the treatment of an Emergency Medical Condition.

Special Payment Rules

Emergency Services in an Emergency Room

Payment for Emergency Services rendered by an Out-of-Network Provider that has not entered into an agreement with us to provide access to a discount from the billed amount of that Provider will comply with the provisions of section 627.64914(4) of the Florida Statutes, if section 627.64194(2) of the Florida Statutes is applicable to the Services rendered.

Additionally, payments for Emergency Services by an Out-of-Network Provider will comply with any applicable federal law.

Non-Emergency Services

Payment for Services rendered by an Out-of-Network Provider will comply with section 627.64194(4) of the Florida Statutes when:

- such Services are rendered in an In-Network Ambulatory Surgical Center, Hospital, mobile surgical facility or Urgent Care Center; and;
- you do not have the ability and opportunity to choose an In-Network Provider at the In-Network Ambulatory Surgical Center, Hospital, mobile surgical facility or Urgent Care Center who is available to treat you; and
- section 627.64194(3) of the Florida Statutes is applicable to the Services rendered.

In no event, subject to this Special Payment Rules subsection, will Out-of-Network Providers be paid more than their charges for the Services rendered.

HEALTH CARE PROVIDER OPTIONS

Introduction

This Contract was designed to help make health care more affordable by combining Exclusive Providers for select types of Health Care Services and Preferred Providers for other Health Care Services. It is important that you understand how the Providers you choose to use for medical care and the type of Service you receive will affect how much you have to pay for medical Services. This section explains payment rules when receiving Covered Services from different types of Providers under this Contract. This section does not include the specific Cost Share amounts under your plan; as you read this section, please keep in mind that you will have to check your Schedule of Benefits for those details. For information on Pharmacy Provider options, please refer to the PRESCRIPTION DRUG PROGRAM section.

Provider Participation Status

In order to help control health care costs, we have entered into contracts with certain Providers to participate in the BlueSelect Network. We have also entered into contracts with certain Providers to participate in our Traditional Program. We negotiate with these Providers to establish maximum allowances and payment rules for Covered Services as one way to control health care costs. The allowances we establish are called our Allowed Amounts. The amount you are responsible for paying out-of-pocket for a particular Covered Service is based on our Allowed Amount for that Covered Service.

In-Network Providers

BlueSelect Providers are the In-Network Providers under this Contract. You should use BlueSelect Providers whenever possible to reduce your out-of-pocket expenses. Using BlueSelect Providers will result in significant savings. There are two types of In-Network BlueSelect Providers: Exclusive Providers and Preferred Providers.

1. Exclusive Providers

In order to be covered, certain Health Care Services must be rendered by the Exclusive Provider designated solely by us, as the Exclusive Provider for the particular Service, except when such Services are required for Emergency Services for the treatment of an Emergency Medical Condition. Please refer to your Schedule of Benefits to determine which Services are subject to an Exclusive Provider Provision.

2. Preferred Providers

For all other Services not subject to an Exclusive Provider Provision, we have entered into contracts with certain Providers to participate as Preferred Providers. You are entitled to preferred provider type benefits when you receive Covered Services from Preferred Providers.

Remember that using In-Network Providers will result in lower Cost Share for you. You should always check to see whether a Provider is In-Network or Out-of-Network, or whether the Service is subject to an Exclusive Provider Provision before you receive Services to find out how much of the cost you will have to pay.

To find out if a Provider is In-Network, refer to the current Provider directory at www.floridablue.com or call the customer service phone number on your ID Card.

Primary Care Physician Program

We encourage you to select and develop a relationship with an In-Network Primary Care Physician (PCP). There are several advantages to selecting a PCP (Family Practitioners, General Practitioners, Internal Medicine doctors and Pediatricians).

- PCPs are trained to provide a broad range of medical care and can be a valuable resource to coordinate your overall health care needs.
- Developing and continuing a relationship with a PCP allows the Physician to become knowledgeable about you and your family's health history.
- A PCP can help you determine when you need to visit a specialist and also help you find one based on their knowledge of you and your specific health care needs.
- Care rendered by PCPs usually results in lower Cost Share for you.

We will check our records periodically to see if you have visited a PCP. If not, we may provide your name and contact information to an In-Network PCP who will call you and offer to schedule a wellness visit. This program is completely voluntary and although we encourage you to schedule this visit, you are not obligated to do so. The applicable PCP Cost Share will apply to this visit.

Out-of-Network Providers

For all services not subject to the Exclusive Provider Provision, when you use Out-of-Network Providers your Cost Share for Covered Services will be higher. We will base our payment on the Allowed Amount at the Coinsurance percentage listed in the Schedule of Benefits. Further, if the Out-of-Network Provider is a Traditional Program Provider or a BlueCard Traditional Program Provider, our payment to such Provider may be under the terms of that Provider's contract. If your Schedule of Benefits and BlueSelect Provider directory do not include a Provider as In-Network under your benefit plan, the Provider is considered Out-of-Network. Remember that Services subject to an Exclusive Provider Provision, as identified on your Schedule of Benefits, are not covered when rendered by Out-of-Network Providers, except when such Services are required for Emergency Services for the treatment of an Emergency Medical Condition.

You are entitled to Traditional Program type benefits at the point of service when you receive Covered Services from Traditional Program Providers or BlueCard Traditional Program Providers, in conformity with the BLUECARD PROGRAM section.

Accessing Services Outside the Service Area

In most instances, Services subject to an Exclusive Provider Provision, as identified on your Schedule of Benefits, must be provided by BlueSelect Exclusive Providers that are generally found within the Service Area. If, however, you are traveling outside the Service Area and need Emergency Services to treat an Emergency Medical Condition and BlueSelect Exclusive Providers are not reasonably available to provide Services subject to an Exclusive Provider Provision, we will cover such Services as if they had been provided by an Exclusive Provider.

Understanding Your Provider Options

Provider Type	What benefit level is applied?	Who will file your claims?	Who is responsible for admission notification?	Are EPP ¹ Services Covered with this Provider?	Will I have to pay the difference between the billed amount and the Allowed Amount for Covered Services?
BlueSelect Exclusive Provider	In-Network – the highest level of coverage available.	The Provider will file claims for you.	The Provider	YES	NO
BlueSelect Preferred Provider	In-Network – the highest level of coverage available.	The Provider will file claims for you.	The Provider	NO	NO
BlueCard Provider	In-Network – when outside the state of Florida	The Provider will file claims for you.	The Provider ²	NO	NO ³
Traditional Program Provider	Out-of-Network – you will share more of the cost.	The Provider will file claims for you.	The Provider ²	NO	NO
Out-of-Network Provider	Out-of-Network – the lowest level of coverage; you will share more of the cost.	You may have to file your claims.	You should notify us of inpatient admissions.	NO	YES

1. “EPP” refers to Services that are subject to an Exclusive Provider Provision.
2. For Services rendered by an In-Network Provider located outside of Florida, you should notify us of inpatient admissions.
3. Please refer to the BLUECARD PROGRAM section for more information.

Provider Financial Incentive Disclosure

Health care decisions are the shared responsibility of you, your family, and your health care Providers. A Provider's decisions regarding Health Care Services may have a financial impact on you and/or the Provider. For example a Provider in his or her contract with us may agree to accept financial

responsibility for your Health Care Services. We encourage you to talk to your Providers about how, and to what extent, the acceptance of financial risk by the Provider may affect his or her Health Care Service decisions.

Location of Service

The location or setting where you receive Services can also affect the amount you pay. For example, the amount you must pay will vary whether you receive Services in a Hospital, a Provider's office, or an Ambulatory Surgical Center. After you and your Physician have determined the plan of treatment most appropriate for your care, you should refer to the WHAT IS COVERED? section and your Schedule of Benefits to find out if the Services are covered and how much you will have to pay. You should also consult with your Physician to determine the most appropriate setting based on your health care and financial needs.

Physicians

When you receive Covered Services from a Physician, several factors will determine your Cost Share, including whether the Physician is In-Network or Out-of-Network, the location of service, the type of Service rendered, whether the Physician participates in certain Florida Blue programs, and the Physician's specialty (as determined by us).

Value Choice Providers

Some Providers, designated by us, may provide Services other than advanced imaging, maternity and Medical Pharmacy at a lower Cost Share. The Deductible will be waived for these Services and your Cost Share is lower when they are rendered in the Value Choice Provider's office. The chart below lists the Services included and the Cost Share amounts.

Value Choice Provider Type	Services Included	Cost Share
Primary Care Physician	<ul style="list-style-type: none"> Office Visits* Diagnostic Testing (such as lab work and x-rays done in the office) Allergy Testing and Injections 	\$0
Specialist Physician	<ul style="list-style-type: none"> Office Visits* Diagnostic Testing (such as lab work and x-rays done in the office) 	\$20**
Dietician / Nutritionist	Covered Services such as Diabetic Education	\$0
Urgent Care Center	Covered urgent care Services for the first 2 visits per Covered Person, per Calendar Year	\$0 for first 2 visits***

* Advanced imaging, maternity and Medical Pharmacy Services will remain at the Cost Share listed on your Schedule of Benefits.

** Or the Specialist Physician office Cost Share listed on your Schedule of Benefits, whichever is lower.

*** After the first 2 visits, the urgent care Cost Share listed on your Schedule of Benefits will apply.

To find a Value Choice Provider access the most recent provider directory at www.floridablue.com and look for Providers with "Value Choice Providers" under "Programs".

Hospitals

Each time you receive inpatient or outpatient Covered Services at a Hospital, in addition to any Cost Share for Physician Services, you will have to pay the Cost Share related to Hospital Services.

Since not all Physicians admit patients to every Hospital, it is important when choosing a Physician that you find out the Hospitals where your Physician has admitting privileges. You can find out what Hospitals your Physician admits to by contacting the Physician's office.

Specialty Pharmacy

Certain medications, such as injectable, oral, inhaled and infused therapies used to treat complex medical Conditions are typically more difficult to maintain, administer and monitor when compared to traditional drugs. Specialty Drugs may require frequent dosage adjustments, special storage and handling and may not be readily available at local pharmacies or routinely stocked by Physicians' offices, mostly due to the high cost and complex handling they require.

Using the Specialty Pharmacy to provide these Specialty Drugs should lower the amount you have to pay for these medications. Please refer to the Medication Guide for a list of Specialty Pharmacies.

Other Providers

With BlueSelect you have access to other Providers in addition to the ones described in this section. Other Providers include facilities that provide alternative outpatient settings or other persons and entities that specialize in specific Services. While these Providers may be recognized for payment, they may not be In-Network Providers for your plan. Also, all of the Services that are within the scope of certain Providers' licenses may not be Covered Services under this Contract. Please refer to the WHAT IS COVERED? and WHAT IS NOT COVERED? sections of this Contract and your Schedule of Benefits to find out what your Cost Share may be for Covered Services rendered by these Providers.

You may be able to receive certain outpatient Services at a location other than a Hospital. Your Cost Share for Services rendered at some alternative facilities is generally less than if you had received those same Services at a Hospital.

Assignment of Benefits to Providers

Except as set forth in the last paragraph of this section, we will not honor any of the following assignments, or attempted assignments, by you to any Provider, including, and without limitation, any of the following:

1. an assignment of the benefits due you under this Contract;
2. an assignment of the right to receive payments due under this Contract; or

3. an assignment of a claim for damage resulting from a breach, or an alleged breach, of any promise or obligation set forth in this Contract, or any promise or obligation set forth in any contract, plan, or policy.

We specifically reserve the right to honor an assignment of benefits or payment by you to a Provider who: 1) is an In-Network Provider under your plan of coverage; 2) is a Traditional Program Provider; 3) is a BlueCard PPO Program Provider; 4) is a BlueCard Traditional Program Provider; or 5) when applicable honor an assignment of your right to receive payment for Covered Services to an Out-of-Network Provider in accordance with Section 627.638(2) Florida Statutes or other applicable statute then in effect. A written attestation of the assignment of benefits may be required.

Quality Assurance

Quality assurance is a formal methodology and set of activities designed to assess the quality of Health Care Services provided. Quality assurance includes formal review of care, problem identification, corrective actions to remedy identified deficiencies and evaluation of actions taken. We have a quality assurance program in place to assess the Services of Exclusive Providers.

BLUECARD® PROGRAM

Out-of-Area Services

Overview

We have a variety of relationships with other Blue Cross and/or Blue Shield Licensees, referred to generally as “Inter-Plan Arrangements.” These Inter-Plan Arrangements operate under rules and procedures issued by the Blue Cross Blue Shield Association (“Association”). Whenever you access Health Care Services outside Florida, the claim for those Services may be processed through one of these Inter-Plan Arrangements. The Inter-Plan Arrangements are described generally below.

Typically, when accessing care outside Florida, you obtain care from Providers that have a contractual agreement (“Participating Providers”) with the local Blue Cross and/or Blue Shield Licensee in that other geographic area (“Host Blue”). In some instances, you may obtain care from Providers in the Host Blue geographic area that do not have a contractual agreement (“Nonparticipating Providers”) with the Host Blue. We remain responsible for fulfilling our contractual obligations to you. Our payment practices in both instances are described below.

Inter-Plan Arrangements Eligibility – Claim Types

All claim types are eligible to be processed through Inter-Plan Arrangements, as described above, except for all dental care benefits except when paid as medical claims/benefits, and those prescription drug benefits or vision care benefits that may be administered by a third party contracted by us to provide the specific Service or Services.

BlueCard Program

The BlueCard Program is an Inter-Plan Arrangement. Under this Arrangement, when you access Covered Services within the geographic area served by a Host Blue, the Host Blue will be responsible for contracting and handling all interactions with its Participating Providers. The financial terms of the BlueCard Program are described generally below.

Liability Calculation Method Per Claim

Unless subject to a fixed dollar Copayment, the calculation of your liability on claims for Covered Services will be based on the lower of the Participating Provider's billed charges for Covered Services or the negotiated price made available to us by the Host Blue.

Host Blues determine a negotiated price, which is reflected in the terms of each Host Blue's Provider contracts. The negotiated price made available to us by the Host Blue may be represented by one of the following:

1. **An actual price.** An actual price is a negotiated rate of payment in effect at the time a claim is processed without any other increases or decreases; or
2. **An estimated price.** An estimated price is a negotiated rate of payment in effect at the time a claim is processed, reduced or increased by a percentage to take into account certain payments negotiated with the Provider and other claim- and non-claim-related transactions. Such transactions may

include, but are not limited to, anti-fraud and abuse recoveries, Provider refunds not applied on a claim-specific basis, retrospective settlements and performance-related bonuses or incentives; or

3. **An average price.** An average price is a percentage of billed charges for Covered Services in effect at the time a claim is processed representing the aggregate payments negotiated by the Host Blue with all of its Providers or a similar classification of its Providers and other claim- and non-claim-related transactions. Such transactions may include the same ones as noted above for an estimated price.

Host Blues determine whether or not they will use an actual, estimated or average price. Host Blues using either an estimated price or an average price may prospectively increase or reduce such prices to correct for over- or underestimation of past prices (i.e., prospective adjustment may mean that a current price reflects additional amounts or credits for claims already paid or anticipated to be paid to Providers or refunds received or anticipated to be received from Providers). However, the BlueCard Program requires that the amount paid by you is a final price; no future price adjustment will result in increases or decreases to the pricing of past claims. The method of claims payment by Host Blues is taken into account by us in determining your premiums.

Special Cases: Value-Based Programs

We have included a factor for bulk distributions from Host Blues in your premium for Value-Based Programs when applicable under this Contract. Additional information is available upon request.

Return of Overpayments

Recoveries from a Host Blue or its Participating and Nonparticipating Providers can arise in several ways, including, but not limited to, anti-fraud and abuse recoveries, audits, utilization review refunds and unsolicited refunds. Recoveries will be applied so that corrections will be made, in general, on either a claim-by-claim or prospective basis. If recovery amounts are passed on a claim-by-claim basis from a Host Blue to us, they will be credited to your account. In some cases, the Host Blue will engage a third party to assist in identification or collection of overpayments. The fees of such a third party may be charged to you as a percentage of the recovery.

Inter-Plan Programs: Federal/State Taxes/Surcharges/Fees

In some instances federal or state laws or regulations may impose a surcharge, tax or other fee that applies to insured accounts. If applicable, we will include any such surcharge, tax or other fee in determining your premium.

Nonparticipating Providers Outside Florida

When Covered Services are provided outside of Florida by Nonparticipating Providers, our payment will be based on the Allowed Amount, as defined in the DEFINITIONS section of this Contract.

Blue Cross Blue Shield Global® Core Program

If you are outside the United States, the Commonwealth of Puerto Rico and the U.S. Virgin Islands (hereinafter: "BlueCard Service Area"), you may be able to take advantage of the Blue Cross Blue Shield Global Core Program when accessing Covered Services. The Blue Cross Blue Shield Global Core Program is unlike the BlueCard Program available in the BlueCard Service Area in certain ways. For instance, although the Blue Cross Blue Shield Global Core Program assists you with accessing a network

of inpatient, outpatient and professional Providers, the network is not served by a Host Blue. As such, when you receive care from Providers outside the BlueCard Service Area, you will typically have to pay the Providers and submit the claims yourself to obtain reimbursement for these Services.

Inpatient Services

In most cases, if you contact the Blue Cross Blue Shield Global Core Service Center for assistance, hospitals will not require you to pay for inpatient Covered Services, except for your Cost Share amounts. In such cases, the hospital will submit your claims to the Blue Cross Blue Shield Global Core Service Center to initiate claims processing. However, if you paid in full at the time of Service, you must submit a claim to obtain reimbursement for Covered Services. **You must notify us of any non-emergency inpatient Services.**

Outpatient Services

Physicians, Urgent Care Centers and other outpatient Providers located outside the BlueCard Service Area will typically require you to pay in full at the time of Service. You must submit a claim to obtain reimbursement for Covered Services.

Submitting a Blue Cross Blue Shield Global Core Claim

When you pay for Covered Services outside the BlueCard Service Area, you must submit a claim to obtain reimbursement. For institutional and professional claims, you should complete a Blue Cross Blue Shield Global Core International claim form and send the claim form with the Provider's itemized bill(s) to the Blue Cross Blue Shield Global Core Service Center address on the form to initiate claims processing. The claim form is available from the Blue Cross Blue Shield Global Core Service Center or online at www.bcbsglobalcore.com. If you need assistance with your claim submissions, you should call the Blue Cross Blue Shield Global Core Service Center at 800-810-BLUE (2583) or call collect at 804-673-1177, 24 hours a day, seven days a week.

BLUEPRINT FOR HEALTH PROGRAMS

Introduction

We have established (and from time to time establish) various customer-focused health education and information programs and benefit utilization management and utilization review programs. We call all these programs Blueprint for Health Programs. The Blueprint for Health Programs, are designed to:

- 1) provide you with information that will help you make more informed decisions about your health;
- 2) help us facilitate the management and review of coverage and benefits provided under our policies; and
- 3) present opportunities, as explained below, for you and us to agree upon alternative benefits or payments for cost-effective medically appropriate Health Care Services.

Admission Notification

Our admission notification rules vary depending on whether you are admitted to a Hospital, Psychiatric, Substance Abuse, Hospice, Inpatient Rehabilitation, Long Term Acute Care (LTAC) or Skilled Nursing Facility which is In-Network or Out-of-Network. To find out if a Provider is in our network, you can:

1. access the current BlueSelect Provider directory on your member account at www.floridablue.com; or
2. call the customer service phone number on your ID Card.

In-Network

We must be notified of all inpatient admissions (i.e., elective, planned, urgent or emergency) to In-Network Hospital, Psychiatric, Substance Abuse, Hospice, Inpatient Rehabilitation, LTAC and Skilled Nursing Facilities. In-Network Providers located in Florida have agreed to notify us of your admission; however, you should ask the facility if we have been notified of your admission. For an admission outside Florida, you or the facility should notify us of the admission. Making sure that we are notified of your admission will enable us to provide you information about the Blueprint for Health Programs available to you. You or the facility may notify us of your admission by calling the customer service phone number on your ID card.

Out-of-Network

For admissions to an Out-of-Network Hospital, Psychiatric, Substance Abuse, Hospice, Inpatient Rehabilitation, LTAC or Skilled Nursing Facility, you or the facility should notify us of the admission. Notifying us of your admission will enable us to provide you information about the Blueprint for Health Programs available to you. You or the facility may notify us of your admission by calling the customer service phone number on your ID Card.

Inpatient Facility Program

We may review Hospital stays, Hospice, Inpatient Rehabilitation, LTAC and Skilled Nursing Facility (SNF) Services, and other Health Care Services rendered during the course of an inpatient stay or treatment program. We may conduct this review while you are inpatient, after your discharge, or as part of a review of an episode of care when you are transferred from one level of inpatient care to another for ongoing treatment. This review is conducted solely to determine whether a particular admission or Health Care Service rendered during that admission is covered under this Contract. Using our established criteria

then in effect, a concurrent review of the inpatient stay may occur at regular intervals, including before a transfer from one inpatient facility to another. We will let your Physician know when inpatient coverage criteria are no longer met. As a part of this program, we may review specific medical facts or information and assess, among other things, the appropriateness of the Services being rendered, health care setting and/or the level of care of an inpatient admission or other health care treatment program. Any such reviews by us, and any reviews or assessments of specific medical facts or information which we conduct, are solely for purposes of making coverage or payment decisions under this Contract and not for the purpose of recommending or providing medical care.

In anticipation of your needs following an inpatient stay, we may provide you and your Physician with information about other Blueprint for Health Programs which may be beneficial to you, and help you and your Physician identify health care resources which may be available in your community. Upon request, we will answer questions your Physician has regarding your coverage or benefits following discharge from the Hospital.

Provider Focused Utilization Management Program

Certain BlueSelect Providers have agreed to participate in our focused utilization management program. This pre-service review program is intended to promote the efficient delivery of medically appropriate Health Care Services by BlueSelect Providers. Under this program we may review all or only specific Health Care Services proposed for you. In order to perform the review, we may require the Provider to submit specific medical information to us relating to Health Care Services proposed for you. These BlueSelect Providers have agreed not to bill, or collect, any payment whatsoever from you or us, or any other person or entity, with respect to a specific Health Care Service if:

1. they fail to submit the Health Care Service for a focused prospective review when required under the terms of their agreement with us; **or**
2. we determine from our review under the focused utilization management program that a Health Care Service is not Medically Necessary in accordance with our Medical Necessity criteria or is inconsistent with our benefit guidelines then in effect unless the following exception applies.

Exception for Certain BlueSelect Physicians

Certain BlueSelect Physicians licensed as Doctors of Medicine (M.D.) or Doctors of Osteopathy (D.O.) only may bill you for Services determined to be not Medically Necessary by us under this focused utilization management program if, **before** you receive the Service:

- a. they give you a written estimate of what you will have to pay for the Service;
- b. they specifically identify the proposed Service that we have determined not to be Medically Necessary; and
- c. you agree to pay for such Services.

Prior Coverage Authorization/ Pre-Service Notification Programs

It is important for you to understand our prior coverage authorization programs and how the Provider you select and the type of Service you receive affects these rules and ultimately how much you will have to pay under this Contract.

You or your Physician will be required to obtain prior coverage authorization from us for Covered Services listed below. You are solely responsible for getting any required authorization before Services are rendered regardless of whether the Service is being rendered by an In-Network Provider or Out-of-Network Provider. For details on how to obtain prior coverage authorization for these Services, please call the customer service phone number on your ID Card.

Services that Require Prior Authorization

Advanced Diagnostic Imaging Services

You must obtain an authorization for advanced diagnostic imaging Services such as CT scans, MRIs, MRA and nuclear imaging, when rendered or referred by a Provider **before** the advanced diagnostic imaging Services are provided. **If you do not obtain prior coverage authorization this plan will deny coverage for the Services and not make any payment for such Services.**

Approved Clinical Trials

You must obtain an authorization for Services rendered in connection with Approved Clinical Trials, when rendered or referred by a Provider **before** you obtain routine patient care provided in connection with an Approved Clinical Trial. **If you do not obtain prior coverage authorization this plan will not make any payment for such Services.**

Contact Lenses (Medically Necessary)

You must obtain an authorization for Medically Necessary contact lenses as indicated in the Eye Care and Vision Services category of the WHAT IS COVERED? section **before** you obtain them. **If you do not obtain prior coverage authorization this plan will not make any payment for such Services.**

Prescription Drugs

In the case of Prescription Drugs, it is your sole responsibility to obtain prior coverage authorization **before** the drug is purchased or administered. **If you do not obtain prior coverage authorization, this plan will deny coverage for the Prescription Drug and not make any payment for the drug or any Service related to the drug or its administration.**

All Prescription Drugs covered under the Medical Pharmacy category in the WHAT IS COVERED? section, require prior authorization. For a list of other medications that require prior coverage authorization and details on how to get an authorization, please refer to the Medication Guide.

Transplant Services

You must obtain an authorization for all Transplant Services, including the pre-transplant evaluation **before** the transplant evaluation is scheduled. **If you do not obtain prior coverage authorization this plan will deny coverage for the Services and not make any payment for such Services.**

Other Health Care Services

In the case of other Health Care Services under a prior coverage authorization or pre-service notification program, you must obtain an authorization or comply with any pre-service notification requirements when rendered or referred by a Provider, **before** the Services are provided.

We will inform you of any Health Care Service that is or will become subject to a prior coverage authorization or pre-service notification program, including how you can obtain prior coverage

authorization and/or provide the pre-service notification for such Service. This information will be provided to you upon enrollment, or at least 30 days prior to such Services becoming subject to a prior coverage authorization or pre-service notification program. Such information may be provided to you electronically, if you have elected the delivery of notifications from us in that manner. Changes to the list of other Health Care Services that require prior authorization shall occur no more frequently than twice in a Calendar Year.

Additional Information

Once the necessary medical documentation has been received from you and/or the Provider, Florida Blue or a designated vendor, will review the information and make a prior coverage authorization decision, based on our established criteria then in effect. You will be notified of the prior coverage authorization decision.

If you do not obtain authorization or provide pre-service notification, we may:

1. deny payment of the claim; or
2. apply a benefit penalty when the claim is presented to us for payment consisting of one of the following:
 - a. \$500
 - b. 20% of the total Allowed Amount of the claim; or
 - c. the lesser of \$500 or 20% of the total Allowed Amount of the claim.

The decision to apply a penalty or deny the claim will be made uniformly and the applicable denial/penalty will be identified in the notice describing the prior coverage authorization and pre-service notification programs.

Note:

1. Prior coverage authorization is not required when Emergency Services are rendered for the treatment of an Emergency Medical Condition.
2. Prior Coverage Authorizations expire on the earlier of, but not to exceed 12 months:
 - a. the termination date of your policy, or
 - b. the period authorized by us, as indicated in the letter you receive from us.

Subject to our review and approval, we may authorize continued coverage of a previously approved Service. To request a continuation we must receive appropriate documentation from your Provider. The fact that we may have previously authorized coverage does not guarantee a continued authorization.

See the APPEAL AND GRIEVANCE PROCESS section for information on what you can do if prior coverage authorization is denied.

Member Focused Programs

The Blueprint for Health Programs may include voluntary programs for certain members. These programs may address health promotion, prevention and early detection of disease, chronic illness management programs, case management programs and other member focused programs.

Personal Case Management Program

The personal case management program focuses primarily on members who suffer from a catastrophic illness or injury. In the event you meet our case management guidelines, we may, in our sole discretion, assign a Personal Case Manager to you to help you coordinate coverage, benefits, or payment for Health Care Services you receive. Your participation in this program is completely voluntary.

Under the personal case management program, we may elect to offer alternative benefits or payment for cost-effective Health Care Services. These alternative benefits or payments may be made available by us on a case-by-case basis when you meet our case management criteria then in effect. Such alternative benefits or payments, if any, will be made available in accordance with a treatment plan with which you, or your representative, and your Physician agree to in writing.

The fact that we have paid or may offer to pay for certain Health Care Services under the personal case management program, in no way obligates us to continue to provide or pay for the same or similar Services. Nothing contained in this section shall be deemed a waiver of our right to enforce this Contract in strict accordance with its terms. The terms of this Contract will continue to apply, except as specifically modified in writing by us in accordance with the personal case management program rules then in effect.

Health Information, Promotion, Prevention and Illness Management Programs

Comprehensive Clinical Assessment Program

Our Comprehensive Clinical Assessment Program ("Assessment Program") is for members with chronic illnesses or other injuries or who may or may not have seen a primary care Provider or other Provider type in the last year. If you meet our Assessment Program guidelines, we may, in our sole discretion, offer to you Services to help you access coverage, benefits or payment for Health Care Services. You may also receive lower Cost Shares than those normally owed for Covered Services rendered under this program. This program is completely voluntary for you.

Under the Assessment Program, we may elect to offer different benefits or payment for cost-effective Health Care Services. We may include things like coverage for Services at different locations that are not normally covered under this Contract. Such locations may include Home Health visits, such as in-home assessments and e-medicine Services.

We may offer these substitute benefits or payments on a case-by-case basis if you meet the Assessment Program criteria then in effect. Also, we may ask that you or a person you designate and, if appropriate, your Physician agree to the substitute benefits or payments in writing or otherwise. The Assessment Program may be operated by us or a vendor of our choosing.

The fact that we may offer to pay for, or that we have paid for certain Health Care Services under the Assessment Program, in no way obligates us to continue to provide or pay for the same or similar Services. Nothing contained in this section shall be deemed a waiver of our right to enforce this Contract in strict accordance with its terms. The terms of this Contract will continue to apply, except as specifically modified in writing by us in accordance with the Assessment Program rules then in effect.

IMPORTANT INFORMATION RELATING TO OUR BLUEPRINT FOR HEALTH PROGRAMS

All decisions that require or pertain to independent professional medical/clinical judgment or training, or the need for medical Services, are solely your responsibility and the responsibility of your health care Providers. You and your Providers are responsible for deciding what medical care should be rendered or received, and when and how that care should be provided. We are solely responsible for determining whether expenses, which have been or will be incurred for medical care are, or will be, covered under this Contract. In fulfilling this responsibility, we will not be deemed to participate in or override the medical decisions of your health care Provider.

You or your Provider may request that we review a Blueprint for Health Program coverage or payment decision, provided such a request is received by us, in writing, within 90 days of the date of the decision. The review request must include all information deemed relevant or necessary by us. We will review the decision in light of such information and notify you or your representative and the Provider of the review decision.

Please note that we reserve the right to discontinue or modify the Hospital admission notification requirement and any Blueprint for Health Program at any time without your consent.

PAYMENT OF PREMIUMS

This Contract is not enforceable, and your coverage is not effective until we receive and accept the Contractholder's application and the first Premium payment, in full. All future Premium payments are due, in full, in advance or within the Grace Period. The amount of your initial monthly Premium is printed on the front page of this Contract. If we do not, for any reason, provide you with a notice of payment due, you, as the Contractholder, are still obligated under this Contract to pay Premiums on time, even if you do not receive a bill from us. You, as the Contractholder, are solely responsible for submitting the Premium to the address indicated on the bill by the end of the Grace Period.

If we accept Premium for a Covered Dependent for a period of time after such dependent no longer meets the eligibility rules, coverage for such dependent will continue during the Grace Period for which an identifiable Premium was accepted, unless such acceptance resulted from a misstatement of age or residence.

Premium payments from third-party payors, except those required by law and indicated below, may not be accepted:

1. A Ryan White HIV/AIDS Program under title XXVI of the Public Health Service Act;
2. An Indian tribe, tribal organization, or urban Indian organization;
3. A local, State, or Federal government program, including a grantee directed by a government program to make payments on its behalf;
4. Private, not-for-profit foundations if they are made on behalf of QHP enrollees who satisfy defined criteria that are based on financial status, do not consider enrollees' health status and are determined acceptable to us; or
5. From a designated representative acceptable to us. This includes, but is not limited to, immediate family members, domestic partners, or individuals holding a properly executed power of attorney (POA) who make payments out of your accumulated funds on your behalf.

Premium Payment Due Date

The first Premium payment is due before the Effective Date of this Contract.

For applications received on or before the 15th calendar day of the month, the initial Premium payment must be received, in full, by the last calendar day of the month of application, in order for the contract effective date to be the first calendar day of the of the following month.

For applications received after the 15th calendar day of the month, the initial Premium payment must be received, in full, by the last calendar day of the month following the month of application, in order for the Contract Effective Date to be the first calendar day of the second month following the month of application.

In the event that the initial Premium payment is dishonored, your coverage will not be effective and we will not enroll you in coverage.

Each recurring monthly Premium payment, following the initial Premium payment, is due in full on or before the due date as stated on your monthly bill.

Grace Period

This Contract has a Premium payment Grace Period which begins on the date the Premium payment is due. If any required Premium payment is not received by us on or before the due date, it may be paid during this Grace Period. The length of the Grace Period depends on whether or not you are receiving Advanced Payments of the Premium Tax Credit (APTC) as determined by the Marketplace.

If you DO receive APTC

The Grace Period is three months, as long as you have paid at least one month's Premium. We will pay all claims for Covered Services during the first month of the Grace Period. During months two and three of your Grace Period we may pend any claims incurred and received during months two and three. If we do not receive your Premium payments in full by the end of the Grace Period your coverage will terminate as of the last day of the first month of the Grace Period. Any pended claims will be denied and you will be responsible for payment of the claims.

If you DO NOT receive APTC

The Grace Period is 31 days. Coverage will stay in force during the Grace Period, however; if Premium payments are not received by the end of the Grace Period, coverage will terminate as of the Premium due date.

Partial Payments

When we bill you for different kinds of coverage, products and/or services on the same bill (such as health insurance and dental insurance) and you pay less than the total amount of the bill, the way we credit your partial payment may affect your coverage.

We have established the order in which your partial payment will be applied to the different kinds of coverage, products and/or services, which is outlined on your bill. By accepting this coverage, you agree that partial payments will be applied in the order indicated on your bill.

Changes in Premiums

The Premium may be modified each year on the Anniversary Date due to changes in the Rates. We will provide at least 45 days prior notice to the Contractholder. If you send us any payments after you receive the notice of change to your Premium, this means you, as the Contractholder, agree to the Premium changes.

In addition to the Anniversary Date changes discussed above, your Premium may change if the Risk Class of you or any Covered Dependent changes, or if the number of individuals covered under this Contract changes. For example, the Premium may change if you move to a different geographical area.

Defaults in Payments

If all Premiums required under this Contract are not paid in full when they are due, this Contract will terminate as described in this section. However, even if your coverage is terminated for non-payment, you, as the Contractholder are still obligated under this Contract to pay us any prorated portion of the Premium for the period of time during which we provided benefits, or for any amounts otherwise due us.

ELIGIBILITY AND ENROLLMENT FOR COVERAGE

Any person who meets and continues to meet the eligibility rules described in this Contract, is entitled to apply for coverage with us under this Contract. These eligibility rules are binding upon you and your eligible dependents. We may require acceptable documents proving that a person meets and continues to meet the eligibility requirements, such as a court order naming the Contractholder as the legal guardian or appropriate Adoption documents described in this section.

Contractholder Eligibility

In order to be eligible to apply for coverage as a Contractholder, you must:

1. maintain your primary residence in the Service Area;
2. be a bona fide resident of the state of Florida;
3. apply for coverage under, and be named on, the application for this Contract; and
4. pay the required Premiums.

Dependent Eligibility

A person who meets the eligibility criteria specified below is eligible to apply for coverage under this Contract as an Eligible Dependent only if the person: 1) was named on the initial application for, or properly enrolled under, this Contract; 2) pays the required Premium; and is:

1. The Contractholder's spouse under a legally valid existing marriage, who maintains his or her primary residence in the Service Area;
2. The Contractholder's present Domestic Partner, who maintains his or her primary residence in the Service Area;
3. The Contractholder's or Covered Domestic Partner's natural, newborn, Adopted, Foster or step child (or a child for whom the Contractholder or Covered Domestic Partner has been court-appointed as legal guardian or legal custodian) who has not reached the end of the Calendar Year in which he or she reaches age 30 regardless of the dependent child's student or marital status, financial dependency on the covered parent, whether the dependent child resides with the covered parent, or whether the dependent child is eligible for or enrolled in any other health plan;
4. The newborn child of a Covered Dependent child. Coverage for such newborn child will end 18 months after the birth of the newborn child.

Note: You are solely responsible, as the Contractholder, to establish that a child meets the eligibility rules. Eligibility will end when the child no longer meets the eligibility rules required to be an Eligible Dependent described above.

Extension of Eligibility for Dependent Children

A Covered Dependent child may continue coverage beyond the age of 30, provided he or she maintains his or her primary residence in the Service Area and is enrolled in the plan at the time he or she reaches age 30.

Children with Disabilities

In the case of a dependent child with an intellectual or physical disability, such child is eligible to continue coverage as a Covered Dependent, beyond the age of 30, if the child is otherwise eligible for coverage under the Contract.

This eligibility will end on the last day of the month in which the dependent child no longer meets these requirements.

Other Eligibility Rules

1. No person whose coverage with us has been terminated for cause (see the TERMINATION OF COVERAGE section) shall be eligible to re-enroll with us.
2. No person shall be refused enrollment or re-enrollment because of race, color, national origin, disability, sex, age, creed, marital status, gender, gender identity or sexual orientation (except as provided in this section).
3. The Contractholder must notify us as soon as possible when a Covered Dependent is no longer eligible for coverage. If a Covered Dependent fails to continue to meet each of the eligibility requirements, and the Contractholder does not provide timely notice to us, we shall have the right to:
 - a. retroactively terminate the coverage of such dependent to the date any such eligibility requirement was not met; and
 - b. to recover an amount equal to the Allowed Amount for Health Care Services and/or supplies provided after such date, less any Premium received for such dependent for coverage after such date.

Upon our request, the Contractholder shall provide proof, which is acceptable to us, of a Covered Dependent's continuing eligibility for coverage.

General Rules for Enrollment

1. Any person who is not properly enrolled with us will not be covered under this Contract. We will have no obligation whatsoever to any person who is not properly enrolled.
2. All factual representations made by you to us in writing in connection with the issuance of this Contract and enrollment hereunder must be accurate and complete. Any false, incomplete, or misleading information provided during the enrollment process, or at any time, may cause you to be disqualified for coverage and, in addition to any other legal right we may have, we may terminate or Rescind your coverage.
3. We will not provide coverage or benefits to any person who would not have been eligible to enroll with us, had accurate and complete information been provided to us on a timely basis. In such cases, we may require you or a person legally responsible for you, to reimburse us for any payments we made on your behalf.
4. Eligibility for coverage under this Contract is determined by Risk Class applicable to you and your dependents. In determining eligibility for coverage under this Contract, we rely on the information provided by you prior to your enrollment.

5. If, in applying for this Contract or in enrolling yourself or dependents, you commit fraud or make an intentional misrepresentation of material fact, we may Rescind your coverage. After two years from your Effective Date your Contract may only be Rescinded for fraudulent misstatements. If, in applying for this Contract or in enrolling yourself or dependents, you make a fraudulent statement or intentional misrepresentation of a material fact, including but not limited to, your demographic information including your geographical area, your age, or the age of your dependents we may elect to cancel the Contract with 45 days prior written notice. We may also elect to continue this Contract if the Contractholder pays us for the full amount of the Premium that would have been in effect if you had stated the true facts.

How to Enroll in Coverage

To enroll in coverage, you must:

1. complete and submit, and we must receive and accept, an application;
2. provide any other information we may need to determine eligibility, at our request;
3. agree to pay the required Premium; and
4. complete and submit the required Enrollment Forms to add Eligible Dependents or delete Covered Dependents.

Your Effective Date depends on the date we receive your Enrollment Forms. If we receive the Enrollment Forms between the 1st and 15th of any month, the Contractholder and/or the Dependent's Effective Date is the first day of the following month. If we receive the Enrollment Forms between the 16th and the last day of any month, the Contractholder and/or Dependent's Effective Date is the first day of the second following month.

Annual Open Enrollment Period

The Annual Open Enrollment Period is the period of time each year, as designated by the Marketplace, when you can change coverage or enroll in a new QHP. Florida Blue may decide to offer a longer Annual Open Enrollment Period outside the Marketplace as indicated on the applicable Enrollment Form. Any changes made to your coverage during the Annual Open Enrollment Period can be effective as early as January 1st. If you do not enroll or change coverage during the Annual Open Enrollment Period you will need to wait until the next Annual Open Enrollment Period unless you or your Eligible Dependents are eligible for a Special Enrollment Period.

Special Enrollment Periods

If you experience a life or special enrollment event you may apply for coverage outside of the Annual Open Enrollment Period. A Special Enrollment Period is the period of time immediately before or after one of these life or special events, as defined under state or federal law. The Effective Date of your new coverage will depend on what type of special event occurred.

To apply for coverage, you must complete the applicable Enrollment Form and submit it to us within the period of time applicable to your special enrollment event, indicated in the chart below.

You are eligible to enroll during a Special Enrollment Period before or after special enrollment events as defined under state and federal law. You are also eligible to enroll based on the special enrollment events described below and as indicated on the Enrollment Form.

SPECIAL EVENT	ENROLLMENT PERIOD	EFFECTIVE DATE

Additional Rules for Dependent Enrollment

A person may be added upon becoming an Eligible Dependent during a Special Enrollment Period. Below are special rules for certain Eligible Dependents.

Newborn Children – To enroll a newborn child who is an Eligible Dependent, you must complete and submit any required Enrollment Forms to us. The Effective Date of coverage for a newborn child is usually the date of birth as long as you have enrolled the newborn child in time. We must be notified, in writing, when you are adding a newborn and the rules for Premiums charged for the newborn vary depending on when we receive this written notification. The chart that follows indicates these differences. The Special Enrollment Period to add a newborn is only 60 days. If you do not add a newborn within the 60-day period you will need to wait until the next Annual Open Enrollment Period or for a Special Enrollment Period to add a newborn.

Newborn Enrollment

If notice is received within...	the Effective Date of the newborn will be...	Premium for the newborn child...
30 days after the date of birth	the date of birth	will not be charged for the first 30 days
31 to 60 days after the date of birth	the date of birth	will be charged from the date of birth

Additional Rules for Adopted Newborn Children

In addition to the above, in order for an Adopted newborn's Effective Date to be the date of birth, a written agreement to Adopt such child must have been entered into by the Contractholder or Covered Domestic Partner prior to the birth of such child, whether or not such an agreement is enforceable. We may require the Contractholder to provide any information and/or documents which we deem necessary in order to administer this provision. Proof of final Adoption must be submitted to us. If the Adopted newborn child is not ultimately placed in your residence, there shall be no coverage for the Adopted newborn child. You are responsible, as the Contractholder, to notify us that the Adopted newborn child is not placed in your residence.

The guidelines above only apply to newborns born after the Effective Date of the Contractholder. If a child is born before the Effective Date of the Contractholder the newborn must be added during the application process.

Adopted/Foster Children (other than newborns) – To enroll an Adopted child (other than a newborn child) or Foster Child, you must complete and submit any required Enrollment Forms to us prior to or within 60 days after the date of placement and pay the additional Premium, if any. The Effective Date will be the date the Adopted or Foster Child is placed in the residence of the Contractholder or Domestic Partner. We may need you to provide additional information and/or documents deemed necessary by us in order to properly administer this provision.

If the Adopted or Foster Child is enrolled within 30 days after the date of placement, no additional Premium will be charged for his or her coverage for the first 30 days. If the Adopted or Foster Child is enrolled within 31 to 60 days after the date of placement, additional Premium will be charged for his or her coverage from the date of placement.

Adopted Children – For all children covered as Adopted children, if the final decree of Adoption is not issued, coverage shall not be continued for such Adopted child. You are responsible, as the Contractholder, to notify us if the Adoption does not take place. Upon receipt of this notification, we will terminate the coverage of the child on the first billing date following receipt of the written notice.

Foster Children – If your status as a foster parent is terminated, coverage will end for any Foster Child. You are responsible, as the Contractholder, to notify us in writing that the Foster Child is no longer in your care. Upon receipt of this notification, we will terminate the coverage of the child on the first billing date following receipt of the written notice.

Other Dependents – If other Eligible Dependents were not named on the application for this Contract (such as a new spouse or a court order to provide coverage for a minor child), you may still apply for coverage for such dependents during a Special Enrollment Period. An Eligible Dependent can become covered when you submit the required Enrollment Forms and pay the required Premiums.

The Effective Date of coverage for other dependents will be determined based on the type of special enrollment event and when we receive the Enrollment Forms.

Continuing Coverage on Termination of Eligibility

If coverage ceases because of termination of eligibility under this Contract, you shall be entitled to be issued a Contract in your name without evidence of insurability, provided that application is made and Premiums are paid within 31 days after termination. There will be continuous coverage during the 31-day

period, if such coverage is selected and the Premiums are paid. See also the Notice of Ineligible Dependent subsection of the TERMINATION OF COVERAGE section.

TERMINATION OF COVERAGE

Introduction

This section describes the rules for termination of coverage. We have divided this section into two subsections: Termination of an Individual; and Termination of the Contract.

Termination of an Individual

If your coverage is terminated by us for any reason we will provide you with notice at least 45 days prior to your last day of coverage under this Contract.

Contractholder

A Contractholder's coverage will end at 12:01 a.m. on the date:

1. this Contract terminates in accordance with the Termination of the Contract subsection;
2. the Contractholder's coverage is terminated for cause (see Termination for Cause below); or
3. the Contractholder no longer meets any of the eligibility requirements.

If you, as the Contractholder, wish to terminate your coverage, you must provide notice to us. Termination will be effective no earlier than the date you notify us.

Covered Dependent

A Covered Dependent's coverage will end:

1. at 12:01 a.m. on the date the Contractholder's coverage terminates for any reason;
2. if the Covered Dependent no longer meets any of the eligibility requirements;
3. on the date 18 months after the birth of a newborn child who is the child of a Covered Dependent child;
4. on the date we specify that the Covered Dependent's coverage is terminated by us for cause.

If you, as the Contractholder, wish to delete a Covered Dependent from coverage, you must complete any required Enrollment Form and submit it to us, prior to the termination date requested.

If you wish to delete your spouse from coverage, in the case of divorce, the Enrollment Form must be submitted before the termination date you are requesting, or within 10 days of the date the divorce is final, whichever is applicable.

Domestic Partner and/or Domestic Partner's Dependent Child

In addition to the rules listed under Covered Dependent above, a covered Domestic Partner and his or her Covered Dependent child's coverage under the Contract will end at 12:01 a.m. on the date that the Domestic Partnership ends or the date of death of the covered Domestic Partner.

Termination for Cause

If, in our opinion, any of the following events occur, we may terminate a person's coverage for cause:

1. fraud, intentional misrepresentation of material fact or omission in applying for coverage or benefits;

2. you intentionally misrepresent, omit or give false information on Enrollment Forms or other forms completed for us for the purpose of obtaining coverage under this Contract, by you or on your behalf; or
3. fraudulent misuse of the ID Card.

Any termination made under the provisions stated above is subject to review in accordance with the Appeal and Grievance Process described in this Contract.

Rescission of Coverage

We reserve the right to Rescind coverage under this Contract or coverage for any person covered under this Contract as permitted by law.

We may only Rescind the Contract or coverage of a person covered under the Contract if you or another person on your behalf commits fraud or intentional misrepresentation of material fact in applying for coverage or benefits. Only fraudulent misstatements on the Enrollment Form may be used by us to void coverage or deny any claim for loss incurred or disability, if discovered after two years from your Effective Date.

We will provide at least 45 days advance written notice to the Contractholder of our intent to Rescind coverage.

Rescission of coverage is considered an Adverse Benefit Determination and is subject to the Adverse Benefit Determination review standards described in the CLAIMS PROCESSING section and the appeal procedures described in the APPEAL AND GRIEVANCE PROCESS section.

Notice of Ineligible Dependent

If a Covered Dependent no longer meets all of the applicable eligibility requirements specified in the ELIGIBILITY AND ENROLLMENT FOR COVERAGE section of this Contract, the Contractholder must notify us in writing immediately and no later than 31 days after the date the Covered Dependent ceases to be eligible for coverage. If we receive notification after the 31-day period, the change will be effective as of a current date and we will not refund any Premiums.

Our Responsibilities Upon Termination of Your Coverage

Upon termination of coverage for you or any of your Covered Dependents for any reason, we will have no further liability or responsibility with respect to such person, except as otherwise specifically described in this Contract.

Certification of Creditable Coverage

In the event coverage ends for any reason, we will issue a written certification of Creditable Coverage to you.

The certification of Creditable Coverage will indicate the period of time you were enrolled with us. Creditable Coverage may reduce the length of any Pre-existing Condition exclusion period by the length of time you had prior Creditable Coverage.

Upon request, we will send you another certification of Creditable Coverage within a 24-month period after termination of coverage. You may call the customer service phone number on your ID Card to request the certification.

The succeeding carrier will be responsible for determining if our coverage meets their qualifying Creditable Coverage guidelines.

Termination of the Contract

Discontinuation of Form

We may decide to discontinue this form, but may do so only if:

1. we provide notice to each Contractholder under this policy form in the individual market at least 90 days before the date the coverage under this policy form will end;
2. we offer the option to each Covered Person to purchase any other individual health care coverage we currently offer to individuals in such market in the state; and
3. we act uniformly without regard to any health-status-related factor of Covered Persons or individuals who may become eligible for such coverage.

Discontinuation of all Policies in Individual Market

We may decide to discontinue all of the policies that we have issued in the individual market in this state (including this Contract), but may do so only if:

1. we provide notice to the Office of Insurance Regulation and each Contractholder at least 180 days before the date the coverage under such policies will end; and
2. we return any unused Premium to the Contractholder.

Defaults in Payments

If all Premiums required under this Contract are not paid in full when they are due, this Contract will terminate at the end of the Grace Period, as described in the PAYMENT OF PREMIUMS section.

Notice of Termination

If the entire Contract is terminated by us, a written notice of any termination of this entire Contract will be mailed to the Contractholder. This notice will state the reason the Contract is being terminated.

Reinstatement of the Contract

This Contract may be reinstated upon receipt of payment to us of the applicable Premiums due. Any reinstatement request must be approved by us. If we approve the request for reinstatement, the Contract will be reinstated as of the last paid to date of the Contract. If we do not approve the request for reinstatement we will provide the Contractholder with notice of our disapproval.

Conditions of Renewal and Termination

This Contract is guaranteed renewable. This means that it automatically renews each year on the Anniversary Date unless terminated earlier in accordance with the terms of this Contract. We may terminate this Contract or refuse to renew it if:

1. Premiums are not paid in accordance with the terms of this Contract or we have not received timely Premium payments;
2. the Contractholder no longer meets any of the eligibility requirements;

3. you perform an act, or engage in any practice, that constitutes fraud or make an intentional misrepresentation of material fact; or
4. you fail to comply with a material provision of the Contract.

If we decide to terminate the Contract or not renew it, based on one or more of the actions listed above, we will provide at least 45 days advance written notice.

CLAIMS PROCESSING

Introduction

This section is intended to:

1. help you understand what your treating Providers must do, under the terms of this Contract, in order to obtain payment for Covered Services that have been rendered or will be rendered to you; and
2. provide you with a general description of the applicable procedures we will use for making Adverse Benefit Determinations, Concurrent Care Decisions and for notifying you when we deny benefits.

Types of Claims

For purposes of this Contract, there are three types of claims: (1) Post-Service Claims; (2) Pre-Service Claims; and (3) Claims Involving Urgent Care. It is important that you become familiar with the types of claims that can be submitted to us and the timeframes and other requirements that apply.

Post-Service Claims

How to File a Post-Service Claim

Experience shows that the most common type of claim we will receive from you or your treating Providers will likely be Post-Service Claims.

BlueSelect Providers and Traditional Insurance Providers have agreed to file Post-Service Claims with us for Health Care Services they render to you. In the event a Provider who renders Services to you does not file a Post-Service Claim for such Services, it is your responsibility to file it with us.

We must receive a Post-Service Claim within 90 days of the date the Health Care Service was rendered or, if it was not reasonably possible to file within such 90-day period, as soon as possible. In any event, no Post-Service Claim will be considered for payment if we do not receive it at the address indicated on your ID Card within one year of the date the Service was rendered unless you are legally incapacitated.

For Post-Service Claims, we must receive an itemized statement containing the following information:

1. the date the Service was provided;
2. a description of the Service including any applicable procedure codes;
3. the amount actually charged by the Provider;
4. the diagnosis including any applicable diagnosis codes;
5. the Provider's name and address;
6. the name of the individual who received the Service; and
7. the Contractholder's name and contract number as they appear on the ID Card.

Note: Please refer to the PRESCRIPTION DRUG PROGRAM section for information on the processing of Prescription Drug claims. Special claims processing rules may apply to Health Care Services rendered

outside the state of Florida, under the BlueCard Program. See the BLUECARD PROGRAM section for additional information.

Processing Post-Service Claims

We will use our best efforts to pay, contest, or deny all Post-Service Claims for which we have all of the necessary information, as determined by us, within the timeframes described below.

Payment for Post-Service Claims

When payment is due under the terms of this Contract, we will use our best efforts to pay (in whole or in part) for electronically submitted Post-Service Claims within 20 days of receipt. Likewise, we will use our best efforts to pay (in whole or in part) for paper Post-Service Claims within 40 days of receipt. You may receive notice of payment for paper claims within 30 days of receipt. If we are unable to determine whether the claim or a portion of the claim is payable because we need more information, we may contest or deny the claim within the timeframes set forth below.

Contested Post-Service Claims

In the event we contest an electronically submitted Post-Service Claim, or a portion of such a claim, we will use our best efforts to provide notice, within 20 days of receipt, that the claim or a portion of the claim is contested. In the event we contest a paper Post-Service Claim, or a portion of such a claim, we will use our best efforts to provide notice, within 30 days of receipt, that the claim or a portion of the claim is contested. The notice may identify: (1) the contested portion or portions of the claim; (2) the reasons for contesting the claim or a portion of the claim; and (3) the date that we reasonably expect to notify you of the decision. The notice may also indicate whether more information is needed in order to complete processing of the claim. If we request additional information, we must receive it within 45 days of the request for the information. **If we do not receive the requested information, the claim or a portion of the claim will be processed based on the information in our possession at the time and may be denied.** Upon receipt of the requested information, we will use our best efforts to complete the processing of the Post-Service Claim within 15 days of receipt of the information.

Denial of Post-Service Claims:

In the event we deny a Post-Service Claim submitted electronically, we will use our best efforts to provide notice, within 20 days of receipt that the claim or a portion of the claim is denied. In the event we deny a paper Post-Service Claim, we will use our best efforts to provide notice, within 30 days of receipt of the claim, that the claim or a portion of the claim is denied. The notice may identify the denied portions of the claim and the reasons for denial. It is your responsibility to ensure that we receive all information that we determine is necessary to adjudicate a Post-Service Claim. **If we do not receive the necessary information, the claim or a portion of the claim may be denied.**

A Post-Service Claim denial is an Adverse Benefit Determination and is subject to the Adverse Benefit Determination standards in this section.

In any event, we will use our best efforts to pay or deny all (1) electronic Post-Service Claims within 90 days of receipt of the completed claim; and (2) paper Post-Service Claims within 120 days of receipt of the completed claim. Claims processing shall be deemed to have been completed as of the date the notice of the claims decision is deposited in the mail by us or otherwise electronically transmitted. Any

claims payment relating to a Post-Service Claim that is not made by us within the applicable timeframe is subject to the payment of simple interest at the rate established by the Florida Insurance Code.

We will investigate any allegation of improper billing by a Provider upon receipt of written notification from you. If we determine that you were billed for a Service that was not actually performed, any payment amount will be adjusted and, if applicable, a refund will be requested. In such a case, if payment to the Provider is reduced due solely due to the notification from you, we will pay you 20 percent of the amount of the reduction, up to a total of \$500.

Pre-Service Claims

How to file a Pre-Service Claim

This Contract may condition coverage, benefits, or payment (in whole or in part) for a specific Covered Service, on the receipt by us of a Pre-Service Claim as that term is defined herein. In order to determine whether we must receive a Pre-Service Claim for a particular Covered Service, please refer to the WHAT IS COVERED? section, the BLUEPRINT FOR HEALTH PROGRAMS section and other applicable sections of this Contract. You may also call the customer service phone number on your ID Card for assistance.

We are not required to render an opinion or make a coverage or benefit determination with respect to a Service that has not actually been provided to you unless the terms of this Contract require approval by us (or condition payment) for the Service before it is received.

Benefit Determinations on Pre-Service Claims Involving Urgent Care

For a Pre-Service Claim Involving Urgent Care, we will use our best efforts to provide notice of the determination (whether adverse or not) as soon as possible, but not later than 72 hours after receipt of the Pre-Service Claim unless additional information is required for a coverage decision. If additional information is necessary to make a determination, we will use our best efforts to provide notice within 24 hours of: (1) the need for additional information; (2) the specific information that you or the Provider may need to provide; and (3) the date that we reasonably expect to provide notice of the decision. If we request additional information, we must receive it within 48 hours of the request. We will use our best efforts to provide notice of the decision on the Pre-Service Claim within 48 hours after the earlier of: (1) receipt of the requested information; or (2) the end of the period you were afforded to provide the specified additional information as described above.

Benefit Determinations on Pre-Service Claims that Do Not Involve Urgent Care

We will use our best efforts to provide notice of a decision of a Pre-Service Claim not involving urgent care within 15 days of receipt provided additional information is not required for a coverage decision. This 15-day determination period may be extended by us one time for up to an additional 15 days. If such an extension is necessary, we will use our best efforts to provide notice of the extension and reasons for it. We will use our best efforts to provide notification of the decision on your Pre-Service Claim within a total of 30 days of the initial receipt of the claim, if an extension of time was taken by us.

If additional information is necessary to make a determination, we will use our best efforts to: (1) provide notice of the need for additional information, prior to the expiration of the initial 15-day period; (2) identify the specific information that you or the Provider may need to provide; and (3) inform you of the date that we reasonably expect to notify you of the decision. If we request additional information, we must receive

it within 45 days of the request for the information. We will use our best efforts to provide notice of the decision on the Pre-Service Claim within 15 days of receipt of the requested information.

A Pre-Service Claim denial is an Adverse Benefit Determination and is subject to the Adverse Benefit Determination standards in this section.

Concurrent Care Decisions

Reduction or Termination of Coverage or Benefits for Services

A reduction or termination of coverage or benefits for Services will be considered an Adverse Benefit Determination when:

1. we have approved, in writing, coverage or benefits for an ongoing course of Services to be provided over a period of time or a number of Services to be rendered; and
2. the reduction or termination occurs before the end of such previously approved time or number of Services; and
3. the reduction or termination of coverage or benefits by us was not due to an amendment to the Contract or termination of your coverage as provided by this Contract.

We will use our best efforts to notify you of such reduction or termination in advance so that you will have a reasonable amount of time to have the reduction or termination reviewed in accordance with the Adverse Benefit Determinations described below. In no event shall we be required to provide more than a reasonable period of time within which you may develop your appeal before we actually terminate or reduce coverage for the Services.

Requests for Extension of Services

Your Provider may request an extension of coverage or benefits for a Service beyond the approved period of time or number of approved Services. If the request for an extension is for a Claim Involving Urgent Care, we will use our best efforts to notify you of the approval or denial of such requested extension within 24 hours after receipt of the request, provided it is received at least 24 hours prior to the expiration of the previously approved number or length of coverage for such Services. We will use our best efforts to notify you within 24 hours if: (1) we need additional information; or (2) you or your representative did not follow proper procedures in the request for an extension. If we request additional information, you will have 48 hours to provide the requested information. We may notify you orally or in writing, unless you or your representative specifically request that it be in writing. A denial of a request for an extension of Services is considered an Adverse Benefit Determination and is subject to the procedures described below.

Adverse Benefit Determinations

Manner and Content of a Notification of an Adverse Benefit Determination

We will use our best efforts to provide notice of any Adverse Benefit Determination in writing. Notification of an Adverse Benefit Determination will include (or will be made available to you free of charge upon request):

1. the date the Service or supply was provided;

2. the Provider's name;
3. the dollar amount of the claim, if applicable;
4. the diagnosis codes included on the claim (e.g., ICD-9, ICD-10, DSM-IV), and upon request a description of such codes;
5. the standardized procedure code included on the claim (e.g., Current Procedural Terminology), including a description of such codes;
6. the specific reason or reasons for the Adverse Benefit Determination, including any applicable denial code;
7. a description of the specific Contract provisions upon which the Adverse Benefit Determination is based, as well as any internal rule, guideline, protocol, or other similar criterion that was relied upon in making the Adverse Benefit Determination;
8. a description of any additional information that might change the determination and why that information is necessary;
9. a description of the Adverse Benefit Determination review procedures and the time limits applicable to such procedures; and
10. if the Adverse Benefit Determination is based on the Medical Necessity or Experimental or Investigational limitations and exclusions, a statement telling you how to obtain the specific explanation of the scientific or clinical judgment for the determination.

If the claim is a Claim Involving Urgent Care, we may notify you orally within the proper timeframes, provided we follow up with a written or electronic notification meeting the requirements of this subsection no later than two working days or three calendar days after the oral notification.

Additional Claims Processing Provisions

Release of Information/Cooperation

In order to process claims, we may need certain information, including information regarding other health care coverage you may have and/or medical information from Providers who render Services to you. You must cooperate with us in our effort to obtain this information, including signing any release of information form at our request. If you do not fully cooperate with us, we may deny the claim and we will have no liability for such claim.

Physical Examination and Autopsy

In order to make coverage and benefit decisions, we may, at our expense, require you to be examined by a Provider of our choice as often as is reasonably necessary while a claim is pending. We also reserve the right, if the law permits, to have an autopsy performed on you in case of death. If you do not fully cooperate with such examination, we may deny the claim and we shall have no liability for such claim.

Legal Actions

No legal action arising out of or in connection with coverage under this Contract may be brought against us within the 60-day period following our receipt of the completed claim as required herein. Additionally, no such action may be brought after expiration of the applicable statute of limitations.

Fraud, Misrepresentation or Omission in Applying for Benefits

We rely on the information provided on the itemized statement when processing a claim. All such information, therefore, must be accurate, truthful and complete. Any fraudulent statement, omission or concealment of facts, misrepresentation, or incorrect information may result, in addition to any other legal remedy we may have, in denial of the claim or cancellation or Rescission of your coverage.

Communication of Claims Decisions

All claims decisions, including denial and claims review decisions, will be communicated to you in writing such as through your monthly member health statement. This written correspondence may indicate:

1. The specific reason or reasons the claim was denied.
2. Reference to the specific Contract provisions upon which the denial is based as well as any internal rule, guideline, protocol, or other similar criterion that was relied upon in making the Adverse Benefit Determination.
3. A description of any additional information that would change the initial determination and why that information is necessary.
4. An explanation of the steps to be taken if you wish to have a claim denial reviewed.
5. A description of the applicable Adverse Benefit Determination review procedures and the time limits applicable to such procedures.
6. If the Adverse Benefit Determination is based on the Medical Necessity or Experimental or Investigational limitations and exclusions, a statement telling you how you can obtain the specific explanation of the scientific or clinical judgment for the determination.

Circumstances Beyond Our Control

To the extent that natural disaster, war, riot, civil insurrection, epidemic, or other emergency or similar event not within our control, results in facilities, personnel or our financial resources being unable to process claims for Covered Services, we will have no liability or obligation for any delay in the payment of claims for Covered Services, except that we will make a good faith effort to make payment for such Services, taking into account the impact of the event. For purposes of this paragraph, an event is not within our control if we cannot effectively exercise influence or dominion over its occurrence or non-occurrence.

APPEAL AND GRIEVANCE PROCESS

Introduction

This section is intended to help you understand what you need to do to appeal a claims decision.

How to Appeal an Adverse Benefit Determination

Except as described below, only you, or a representative designated by you in writing, have the right to appeal an Adverse Benefit Determination. An appeal of an Adverse Benefit Determination will be reviewed using the process described below. Your appeal must be submitted to us in writing for an internal appeal within 365 days of the original Adverse Benefit Determination, except in the case of Concurrent Care Decisions which may, depending upon the circumstances, require you to file within a shorter period of time from notice of the denial. The following guidelines are applicable to reviews of Adverse Benefit Determinations:

1. You must cooperate fully with us in our effort to promptly review and resolve an appeal. In the event you do not fully cooperate with us, you will be deemed to have waived your right to have the appeal processed within the time frames set forth in this section.
2. You, or a Provider or a person acting on your behalf, must specifically request an expedited review. The expedited appeal process only applies to Pre-Service Claims or requests for extension of Concurrent Care Services made within 24 hours before the authorization for such Services expires. An expedited appeal will not be accepted for an Adverse Benefit Determination on a Post-Service Claim.
3. You may review pertinent documents upon request and free of charge, such as any internal rule, guideline, protocol, or similar criterion relied upon to make the determination, and submit issues or comments in writing.
4. If any new or additional information is received from anyone other than you, a copy must be provided to you free of charge and as soon as possible and sufficiently in advance of the date on which the final adverse notice is to be provided to give you a reasonable opportunity to respond prior to that date.
5. If the Adverse Benefit Determination is based on the lack of Medical Necessity of a particular Service or the Experimental or Investigational exclusion, you may request an explanation of the scientific or clinical judgment relied upon, if any, for the determination, that applies the terms of this Contract to your medical circumstances. This information is provided free of charge.
6. During the review process, the Services in question will be reviewed without regard to the decision reached in the initial determination.
7. We may consult with appropriate Physicians in the same or similar specialty as typically manages the Condition, procedure, or treatment under review, as necessary.
8. Any independent medical consultant who reviews your Adverse Benefit Determination on our behalf will be identified upon request.

9. If the claim is a Claim Involving Urgent Care, you may request an expedited review orally or in writing in which case all necessary information on review may be transmitted between you and us by telephone, facsimile or other available expeditious method.
10. If your request for expedited review arises out of a concurrent review determination by us that a continued hospitalization is not Medically Necessary, coverage for the hospitalization will continue until you have been notified of the determination.
11. We will review the appeal and may make a decision based on medical records, additional information and input from health care professionals in the same or similar specialty as typically manages the Condition, procedure or treatment under review.
12. We will advise you of all appeal decisions in writing, as outlined in the Timing of Our Appeal Review on Adverse Benefit Determinations subsection.
13. If you wish to give someone else permission to appeal an Adverse Benefit Determination on your behalf, we must receive a completed Appointment of Representative form signed by you indicating the name of the person who will represent you with respect to the appeal. An Appointment of Representative form is not required if your Physician is appealing an Adverse Benefit Determination relating to a Claim Involving Urgent Care. Appointment of Representative forms are available at www.floridablue.com or by calling the number on your ID Card.
14. If you are not satisfied with our decision you have the right to an independent external review through an external review organization for certain appeals, as described in the How to Request External Review of our Appeal Decisions subsection below.

How to Submit a Grievance Related to an Exclusive Provider Provision

The following guidelines are applicable to reviews of Grievances:

1. We must receive your Grievance in writing;
2. We may consult with appropriate Physicians, as necessary.

Appeals and Grievances must be sent to the address below:

Florida Blue
Attention: Member Appeals
P.O. Box 44197
Jacksonville, Florida 32231-4197

Timing of Our Appeal Review on Adverse Benefit Determinations

We will use our best efforts to review your appeal of an Adverse Benefit Determination and communicate the decision in accordance with the following time frames:

1. Pre-Service Claims: within 30 days of the receipt of your appeal;
2. Post-Service Claims: within 60 days of the receipt of your appeal; or
3. Claims Involving Urgent Care (and requests to extend concurrent care Services made within 24 hours prior to the termination of the Services): within 72 hours of receipt of your request. If additional information is necessary we will notify you within 24 hours and we must receive the requested

additional information within 48 hours of our request. After we receive the additional information, we will have an additional 48 hours to make a final determination.

Note: The nature of a claim for Services (i.e. whether it is “urgent care” or not) is judged as of the time of the benefit determination on review, not as of the time the Service was initially reviewed or provided.

Timing of Our Review on Grievances

We will use our best efforts to review your Grievance and communicate the decision in within 60 days of receipt of your Grievance.

Exhaustion of Internal Appeals Process

Generally, you must complete all appeal processes outlined in this Contract before you can obtain independent external review or bring an action in litigation. However, if we do not strictly adhere to all claim determination and appeal requirements under applicable federal law, you are considered to have exhausted our appeal requirements (“Deemed Exhaustion”) and may proceed with independent external review unless a minor exception applies. Minor exceptions are allowed when failure to adhere was non-prejudicial; attributable to good cause or matters beyond our control; in the context of on-going good-faith exchange of information; and not reflective of a pattern or practice of non-compliance.

Your Rights under Florida Statute 627.6141

You, or a Provider acting on your behalf, who has had a claim denied as not Medically Necessary has the opportunity to appeal the claim denial. The appeal may be directed to an employee of Florida Blue who is a licensed Physician responsible for Medical Necessity reviews. The appeal may be by telephone and the Physician will respond to you, within a reasonable time, not to exceed 15 business days.

How to Request External Review of our Appeal Decision

If we deny your appeal and our decision involves a medical judgment, including, but not limited to, a decision based on Medical Necessity, appropriateness, health care setting, level of care or effectiveness of the Health Care Service or treatment you requested or a determination that the treatment is Experimental or Investigational, you are entitled to request an independent, external review of our decision. Your request will be reviewed by an independent third party with clinical and legal expertise (“External Reviewer”) who has no association with us. If you have any questions or concerns during the external review process, please contact us at the phone number listed on your ID card or visit www.floridablue.com. You may submit additional written comments to External Reviewer. A letter with the mailing address will be sent to you when you file an external review. Please note that if you provide any additional information during the external review process it will be shared with us in order to give us the opportunity to reconsider the denial. Submit your request in writing on the External Review Request form within four months after receipt of your denial to the below address:

Florida Blue
Attention: Member External Reviews DCC9-5
Post Office Box 44197
Jacksonville, FL 32231-4197

If you have a medical Condition where the timeframe for completion of a standard external review would seriously jeopardize your life, health or ability to regain maximum function, you may file a request for an expedited external review. Generally, an urgent situation is one in which your health may be in serious jeopardy, or in the opinion of your Physician, you may experience pain that cannot be adequately controlled while you wait for a decision on the external review of your claim. Moreover expedited external reviews may be requested for an admission, availability of care, continued stay or Health Care Service for which you received Emergency Services, but have not been discharged from a facility. Please be sure your treating Physician completes the appropriate form to initiate this request type. If you have any questions or concerns during the external review process, please contact us at the phone number listed on your ID card or visit www.floridablue.com. You may submit additional written comments to the External Reviewer. A letter with the mailing address will be sent to you when you file an external review. Please note that if you provide any additional information during the external review process it will be shared with us in order to give us the opportunity to reconsider the denial. If you believe your situation is urgent, you may request an expedited review by sending your request to the address above or by fax to 904-565-6637.

If the External Reviewer decides to overturn our decision, we will provide coverage or payment for your health care item or Service.

You or someone you name to act for you may file a request for external review. To appoint someone to act on your behalf, please complete an Appointment of Representative form.

You are entitled to receive, upon written request and free of charge, reasonable access to, and copies of all documents relevant to your appeal including a copy of the actual benefit provision, guideline protocol or other similar criterion on which the appeal decision was based.

You may request and we will provide the diagnosis and treatment codes, as well as their corresponding meanings, applicable to this notice, if available.

COORDINATION OF BENEFITS

Coordination of Benefits

Coordination of Benefits is a limitation of coverage and/or benefits to be provided by Florida Blue. It is designed to avoid duplication of payment for Covered Services and/or supplies. We shall coordinate payment of Covered Services to the maximum extent allowed by law. Contracts which may be subject to Coordination of Benefits include, but are not limited to, the following which will be referred to as "plan(s)" for purposes of this section:

1. any group or non-group insurance, group-type self-insurance, or HMO plan;
2. any group plans issued by any Blue Cross and/or Blue Shield Plan(s);
3. any plan, program or insurance policy, including an automobile insurance policy, provided that any such non-group policy contains a coordination of benefits provision;
4. Medicare; and
5. to the extent permitted by law, any other government sponsored health insurance program.

The amount of payment by us, if any, is based on whether or not we are the primary payer. When we are primary, we will pay for Covered Services without regard to your coverage under other plans. When we are not primary, our payment may be reduced so that total benefits under all plans will not exceed 100 percent of the total reasonable expenses actually incurred for the Covered Services. In the event the Covered Services were rendered by an In-Network Provider or an Out-of-Network Provider who participates in our Traditional Program, "total reasonable expenses", for purposes of this section, shall be equal to the amount we are obligated to pay such In-Network Provider based on the Provider's contract.

The following rules shall be used to establish the order in which benefits under the respective plans will be determined:

1. This plan always pays secondary to any medical payment, personal injury protection (PIP) coverage or no-fault coverage under any automobile policy available to you.
2. When we cover you as a dependent and the other plan covers you as other than a dependent, we will be secondary.
3. When we cover you as a dependent child and your parents are married (not separated or divorced):
 - a. the plan of the parent whose birthday, month and day, falls earlier in the year will be primary;
 - b. if both parents have the same birthday, month and day, and the other plan has covered one of the parents longer than us, we will be secondary.
4. When we cover you as a dependent child whose parents are not married, or are separated or divorced:
 - a. the plan of the parent with custody is primary;
 - b. the plan of the re-married parent with custody is primary regardless of whether the re-married parent is the employee or a dependent under the step-parent's plan; the step-parent's plan is secondary;and

- c. the plan of the parent without custody pays last;
 - d. regardless of which parent has custody, whenever a court decree specifies the parent who is financially responsible for the child's health care expenses, the plan of that parent is always primary.
5. When an employee or the employee's dependent and you are covered under a plan that covers you as a laid off or retired employee or as the employee's dependent and the other plan covers you as a dependent child:
- a. the plan that covers you by virtue of active employment, e.g. as the dependent spouse of an active employee, is primary;
 - b. if the other plan is not subject to this rule, and if, as a result, such plan does not agree on the order of benefits, this paragraph shall not apply.
6. If you have continuation of coverage under COBRA or Florida Health Insurance Coverage Continuation Act (FHICCA or mini COBRA), COBRA or FHICCA would be primary.
7. When rules 1 through 6 above do not establish an order of benefits, the plan which has covered the individual the longest shall be primary, unless you are age 65 or older and covered under Medicare parts A and B. In that case, this Contract will be secondary to Medicare.
8. If the other plan does not have rules that establish the same order of benefits as under this Contract, the benefits under the other plan will be determined primary to the benefits under this Contract.

We will not coordinate benefits against an indemnity-type policy, an excess insurance policy, a policy with coverage limited to specified illnesses or accidents, or a Medicare Supplement policy.

Facility of Payment

Whenever payments which should have been made by us are made by any other person, plan, or organization, we shall have the right, exercisable alone and in our sole discretion, to pay over to any such person, plan, or organization making such other payments, any amounts we shall determine to be required in order to satisfy our coverage obligations hereunder. Amounts so paid shall be deemed to be paid under this Contract and, to the extent of such payments, we shall be fully discharged from liability.

Non-Duplication of Government Programs

The benefits provided under this Contract shall not duplicate any benefits to which you are entitled, or for which you are eligible, under governmental programs such as Medicare, Veterans Administration, TRICARE, or Workers' Compensation, to the extent allowed by law or any extension of benefits of coverage under a prior plan or program which may be required by law.

GENERAL PROVISIONS

Access to Information

We shall have the right to receive, from any health care Provider rendering Services to you, information that is reasonably necessary, as determined by us, in order to administer the coverage and/or benefits we provide, subject to all applicable confidentiality requirements set forth in this section. By accepting coverage under this Contract, you authorize every health care Provider who renders Services or furnishes supplies to you, to disclose to us or to entities affiliated with us, upon request, all facts, records, and reports pertaining to your care, treatment, and physical or mental Condition, and to permit us to copy any such records and reports so obtained.

Amendment

The terms of coverage and benefits to be provided by us under this Contract may be amended, without your consent or that of any other person, upon 45 days prior written notice to the Contractholder. In the event the amendment is unacceptable to the Contractholder, the Contractholder may terminate this Contract upon prior written notice to us. Any such amendment will be without prejudice to claims filed with us and related to benefits and coverage under this Contract prior to the date of such amendment. No agent or other person, except our duly authorized officer, has the authority to modify the terms of this Contract, or to bind us in any manner not expressly set forth herein, including but not limited to the making of any promise or representation, or by giving or receiving any information. The terms of coverage and benefits to be provided by us under this Contract may not be amended by the Contractholder unless such amendment is evidenced in writing and signed by our duly authorized officer.

Assignment and Delegation

The obligations arising hereunder may not be assigned, delegated or otherwise transferred by either party without the written consent of the other party; provided, however that we may assign our coverage and/or benefit obligations to our successor in interest or an affiliated entity without your consent, at any time.

Any assignment, delegation, or transfer made in violation of this provision shall be void.

Care Profile Program – A Payer-Based Health Record Program

A care profile is available to treating Physicians for each person covered under this Contract. This care profile allows a secure, electronic view of specific claims information for Services rendered by Physicians, Hospitals, labs, pharmacies, and other health care Providers. Unless you have chosen to opt out, here are a few of the benefits of participation in the Care Profile Program:

1. All authorized treating Physicians will have a consolidated view – or history – of your Health Care Services, assisting them in improved decision-making in the delivery of health care.
2. In times of catastrophic events or Emergency Services, the care profile will be accessible from any location by authorized Physicians so that appropriate treatment and Service can still be delivered.
3. Safe and secure transmission of claim information. Only authorized health care Providers or authorized members of the Provider's staff will have access to your information.

4. Coordination of care among your authorized treating health care Providers.
5. More efficient health care delivery for you.

Keeping your health information private is extremely important, so your care profile will not include certain health information that pertains to “sensitive” medical conditions, for which the law provides special protection. Health care Providers access the care profile using the same secure, electronic channel they use to file claims. In addition, only authorized members of the Provider’s staff will have access to the information. Remember, this will help your Physician in obtaining important information concerning your health history.

However, if for some reason you, or any of your Covered Dependents, choose not to provide your treating Physician access to your claim history, the use of this information may be restricted. Should you choose not to participate call the customer service phone number on your ID Card and inform a service associate of your decision.

Compliance with State and Federal Laws and Regulations

The terms of coverage and benefits to be provided by us under this Contract shall be deemed to have been modified by the parties, and shall be interpreted, so as to comply with applicable state or federal laws and regulations dealing with Rates, benefits, eligibility, enrollment, termination, conversion, or other rights and duties of you or us.

Exiting the Marketplace

If the QHP Issuer Agreement between Florida Blue and the Centers for Medicare and Medicaid Services (CMS) is terminated for any reason, we will provide you notice that Florida Blue will no longer offer its plans on–Marketplace. These plans will only be available off-Marketplace. This means you will no longer receive advance premium tax credits (APTCs) or cost share reductions (CSRs), if applicable. If you were eligible for a silver variant plan you will be responsible for the full cost-sharing amounts of the base silver plan.

Confidentiality

Except as otherwise specifically provided herein, and except as may be required in order for us to administer coverage and/or benefits under this Contract, specific medical information concerning you received by/from a Provider shall be kept confidential by us. Such information shall not be disclosed to third parties without your written consent, except for use in connection with bona fide medical research and education, or as reasonably necessary in connection with the administration of coverage and/or benefits under this Contract, specifically including our quality assurance and utilization review activities. Additionally, we may disclose such information to entities affiliated with us. However, any documents or information which are properly subpoenaed in a judicial proceeding, or by order of a regulatory agency, shall not be subject to this provision.

Our financial arrangements with In-Network Providers may require that we release certain claims and medical information about you even if you have not sought treatment by or through that Provider. By accepting coverage, you hereby authorize us to release to In-Network Providers claims information, including related medical information, pertaining to you, in order for the In-Network Provider to evaluate financial responsibility under their contracts with us.

Cooperation Required of Covered Persons

You must cooperate with us, and must execute and submit to us such consents, releases, assignments, and other documents as may be requested by us in order to administer, and exercise our rights under this Contract. Failure to do so may result in the denial of claims.

Customer Rewards and Incentive Programs

From time to time we may offer you rewards or incentives for participating in certain activities and programs. These may be one-time rewards, available periodically or related to completing activities under a particular program. This includes but is not limited to programs offered as part of Florida Blue's Quality Improvement Strategy ("QIS") as required under Section 1311(g) of the Affordable Care Act and shared savings incentive programs as defined under Florida law.

Types of Rewards or Incentives

The rewards and incentives available to you may exceed \$100 per year and may include things like Premium credits, reduced Copayments, Coinsurance or Deductibles, cash equivalents or other incentives such as gift cards, debit cards, free or low cost transportation for medical Services, discounts, contributions to a health savings account and memberships to gyms or other programs.

Types of Programs

Rewards and incentives may be earned by taking part in programs or activities that focus on (for example):

- managing specific Conditions;
- preventive or wellness Services;
- certain behaviors, such as completing an annual physical; or
- optimizing your health plan, such as filling out a health assessment upon enrollment.

These are only examples of the types of programs that may be available to you. By logging into your rewards portal, you will be able to track rewards you have earned and access other programs that may be available to you.

Transportation Program

We understand that access to transportation can sometimes be a barrier to getting the health care you need. To assist you, we may offer programs to help you access health and wellness facilities and services.

Note: We will tell you about any available rewards programs in general mailings, newsletters and/or on our website. You may not have access to every reward, incentive, health or transportation program. You are not obligated to take part in any of these programs and they will not affect the coverage available to you under this Contract. We reserve the right to stop or change the features of any rewards or incentive programs at any time. The rewards, incentives or transportation provided may be taxable income and you should consult a tax advisor for further guidance.

Enrollment Records

Reporting Changes

You, as the Contractholder must provide any information required for the purpose of recording changes in family status or other information relative to eligibility or coverage status. All records relevant to eligibility or coverage status under this Contract shall be made available by you.

Errors or Delays

Clerical errors or delays by us in keeping or reporting enrollment records will not make any coverage invalid if it would otherwise be validly in force, or continue coverage which would otherwise be validly terminated. If you intentionally omit information that you should have provided, or provided incorrect information, it may be corrected if it is determined that any such correction will not be prejudicial to us. You agree that you will be liable to us for any claims payments we make on behalf of any individual who was not eligible for coverage at the time the Service or supply was rendered.

This Contract, including the application for coverage and any Enrollment Forms, sets forth the exclusive and entire understanding and agreement between you and Florida Blue and shall be binding upon all Covered Persons, Florida Blue, and any of our subsidiaries, affiliates, successors, heirs, and permitted assignees. You shall hold harmless and indemnify Florida Blue against all claims, demands, liabilities, or expenses (including reasonable attorney's fees and court costs), which are related to, arise out of, or are in connection with any acts or omissions by you or any of your agents, in the performance of your obligations under this Contract.

Members may vote in person or by submitting a proxy in accordance with the voting instructions provided by us before the meeting.

Misstatement of Age, Residence, or Tobacco Use

If any written information relevant to determining your Premium has been misstated by you, the Premium amount you owe under this Contract will be changed based on the corrected information provided to us. Other than for a misstatement related to tobacco use, if we accepted Premiums based on such misstatement that we would not have accepted Premium for if the correct information had been stated, our only liability will be the return of any unearned Premium. We will not provide any coverage for that time period. This right is in addition to any other rights we may have under this Contract and applicable laws.

Additionally, we may, at any time, terminate or modify the terms of any Provider contract and may enter into additional Provider contracts without prior notice to you, or your approval. It is your responsibility to determine whether a health care Provider is an In-Network Provider at the time Services are rendered. Under this Contract, your financial responsibility may vary depending on a Provider's participation status.

Non-Waiver of Defaults

Any failure by us at any time, or from time to time, to enforce or to require the strict adherence to any of the terms or conditions set forth herein, shall in no event constitute a waiver of any such terms or

conditions. Further, it shall not affect our right at any time to enforce or avail ourselves of any such remedies as we may be entitled to under applicable law, or this Contract.

Relationships Between the Parties

Florida Blue and Health Care Providers

Neither Florida Blue nor any of its officers, directors or employees provides Health Care Services to you. By accepting this coverage and benefits, you agree that health care Providers rendering Health Care Services are not our employees or agents. **In this regard, we hereby expressly disclaim any agency relationship, actual or implied, with any health care Provider.** We do not, by virtue of making coverage, benefit, and payment decisions, exercise any control or direction over the medical judgment or clinical decisions of any health care Provider. Any decisions made by us concerning appropriateness of setting, or whether any Service is Medically Necessary, shall be deemed to be made solely for the purpose of determining whether such Services are covered, and not for the purpose of recommending any treatment or non-treatment. We assume no liability for any loss or damage arising as a result of acts or omissions of any health care Provider.

Florida Blue and the Contractholder

You are not our agent or representative and shall not be liable for any acts or omissions of Florida Blue, its agents, servants, or employees. Additionally, neither you nor Florida Blue shall be liable, whether in tort or contract or otherwise, for any acts or omissions of any other person or organization with which Florida Blue has made or hereafter makes arrangements for the provision of Covered Services. **Florida Blue is not your agent, servant, or representative and shall not be liable for any acts or omissions**

of yours or any person or organization with which you have entered into any agreement or arrangement. By acceptance of Covered Services hereunder, you agree to the foregoing.

Medical Treatment Decisions

Any and all decisions that require or pertain to independent professional medical judgment or training, or the need for medical Services or supplies, must be made solely by you, your family and your treating Physician in accordance with the patient/Physician relationship. It is possible that you or your treating Physician may conclude that a particular procedure is needed, appropriate, or desirable, even though such procedure may not be covered.

Reservation of Right to Contract

We reserve the right to contract with any individuals, corporations, associations, partnerships, or other entities for assistance with the servicing of coverage and benefits to be provided by us or obligations due, under this Contract.

Right of Recovery

Whenever we have made payments in excess of the maximum provided for under this Contract, we will have the right to recover any such payments, to the extent of such excess, from you or any other person, plan, or organization that received such payments.

Right to Receive and Release Necessary Information

In order to administer coverage and benefits, we may, without the consent of or notice to any person, plan, or organization, release to or obtain from any person, plan, or organization any information with respect to any person covered under this Contract or an applicant for enrollment which we deem to be necessary.

Service Mark

You hereby expressly acknowledge that this Contract constitutes a contract solely between you and us. We are an independent corporation operating under a license with the Blue Cross and Blue Shield Association, an association of independent Blue Cross and/or Blue Shield Plans (the "Association"), permitting us to use the Blue Cross and Blue Shield Service Mark in the State of Florida and that we are not contracting as the agent for the Association. You further acknowledge and agree that you have not entered into this Contract based upon representations by any person other than us and that no person, entity, or organization other than us shall be held accountable or liable to you for any of our obligations created under this Contract. This paragraph shall not create any additional obligations whatsoever on our part other than those obligations created under other provisions of this Contract.

Subrogation and Right of Reimbursement

As used herein, the term "Third Party," means any party that is, or may be, or is claimed to be responsible for illness or injuries to you. Such illness or injuries are referred to as "Third Party Injuries." "Third Party" includes any party responsible for payment of expenses associated with the care for treatment of Third Party Injuries.

If benefits are paid under this Contract for expenses incurred due to Third Party Injuries, then we retain the right to repayment of the full cost of all benefits provided under this Contract on your behalf that are associated with the Third Party Injuries. Our subrogation and reimbursement rights of recovery apply to any claim or potential claim made by you or on your behalf from the following sources, including but not limited to:

- Payments made by a Third Party or any insurance company on behalf of the Third Party;
- Any payments or awards under an uninsured or underinsured motorist coverage policy;
- Any Workers' Compensation or disability award or settlement;
- Medical payments coverage under any automobile policy, premises or homeowners' medical payments coverage or premises or homeowners' insurance coverage; and
- Any other payments from a source intended to compensate you for injuries resulting from an accident or alleged negligence.

By accepting benefits under this Contract, you specifically acknowledge our right of subrogation. In the event you suffer injuries for which a Third Party is responsible (such as someone injuring you in an accident), and we pay benefits under this Contract as a result of those injuries, we will be subrogated and succeed to the right of recovery against such Third Party to the extent of the benefits we have paid. This means that we have the right, independently of you, to proceed against the Third Party responsible for your injuries to recover the benefits we have paid. In order to secure our recovery rights, you agree to assign to us any benefits or claims or rights of recovery you have under any automobile policy or other coverage, to the full extent of our subrogation and reimbursement claims. This assignment allows us to pursue any claim you may have, whether or not you choose to pursue the claim.

By accepting benefits under this Contract, you also specifically acknowledge our right of reimbursement. This right of reimbursement attaches when we have paid health care benefits for expenses incurred due to Third Party Injuries and you or your representative has recovered any amounts from a Third Party. By providing any benefit under this Contract, we are granted an assignment of the proceeds of any settlement, judgment or other payment received by you to the extent of the full cost of all benefits provided under this Contract. Our right of reimbursement is cumulative with and not exclusive of our subrogation right and we may choose to exercise either or both rights of recovery.

By accepting benefits under this Contract, you or your representatives further agree to:

- Notify us promptly and in writing when notice is given to any party of the intention to investigate or pursue a claim to recover damages or obtain compensation due to Third Party Injuries sustained by you;
- Cooperate with us and do whatever is necessary to secure our right of subrogation and reimbursement under this Contract;
- Give us a first-priority lien on any recovery, settlement, or judgment or other source of compensation which may be had from any party to the extent of the full cost of all benefits associated with Third Party Injuries provided under this Contract (regardless of whether specifically set forth in the recovery, settlement, judgment, or compensation agreement);

- Pay, as the first priority, from any recovery, settlement, judgment, or other source of compensation, any and all amounts due to us as reimbursement for the full cost of all benefits associated with Third Party Injuries paid under this Contract (regardless of whether specifically set forth in the recovery, settlement, judgment, or compensation agreement), unless otherwise agreed to by us in writing;
- Do nothing to prejudice our rights as set forth above. This includes, but is not limited to, refraining from making any settlement or recovery which specifically attempts to reduce or exclude the full cost of all benefits paid under this Contract; and
- Serve as a constructive trustee for the benefits under this Contract over any settlement.

We may recover the full cost of all benefits paid by us under this Contract without regard to any claim of fault on your part, whether by comparative negligence or otherwise. In the event you or your representative fails to cooperate with us, you shall be responsible for all benefits provided by us under this Contract in addition to costs and attorney's fees incurred by us in obtaining repayment.

Third Party Beneficiary

This Contract was issued by Florida Blue to the Contractholder, and was entered into solely and specifically for the benefit of Florida Blue and the Contractholder. The terms and provisions of this Contract shall be binding solely upon, and inure solely to the benefit of, Florida Blue and the Contractholder, and no other person shall have any rights, interest or claims hereunder, or be entitled to sue for a breach hereof as a third-party beneficiary or otherwise. Florida Blue and the Contractholder hereby specifically express their intent that health care Providers that have not entered into contracts with us to participate in our Provider networks shall not be third-party beneficiaries under this Contract.

Statement on Advance Directives

The following information is provided in accordance with the Patient Self-Determination Act to advise you of your rights under Florida law to make decisions concerning your medical care, including your right to accept or refuse medical or surgical treatment, the right to prepare an advance directive, and explain our policy on advance directives. The information is general and is not intended as legal advice for specific needs. You are encouraged to consult with your attorney for specific advice.

Florida law recognizes your right as a competent adult to make an advance directive instructing your Physician to provide, withhold, or withdraw life-prolonging procedures, or to name someone to make treatment decisions for you in the event that you are found to be incompetent and suffering from a terminal Condition. Advance directives provide patients with a way to direct the course of their medical treatment even after they are no longer able to consciously participate in making their own health care decisions.

An "advance directive" is a witnessed oral or written statement which indicates your choices and preferences with respect to medical care made by you while you are still competent. An advance directive can address such issues as whether to provide any and all health care, including extraordinary life-prolonging procedures, whether to apply for Medicare, Medicaid or other health benefits, and with whom the health care Provider should consult in making treatment decisions.

There are three types of documents recognized in Florida that are commonly used to express an individual's advance directives: a Living Will, a Health Care Surrogate Designation and a Durable Power of Attorney for Health Care.

A Living Will is a declaration of a person's desire that life-prolonging procedures be provided, withheld, or withdrawn in the event that the person is suffering from a terminal Condition and is not able to express his or her wishes. It does not become effective until the patient's Physician and one other Physician determine that the patient suffers from a terminal Condition and is incapable of making decisions.

Another common form of advance directive is the Health Care Surrogate Designation. When properly executed, a Health Care Surrogate Designation grants authority for the surrogate to make health care decisions on behalf of the patient in accordance with the patient's wishes. The surrogate's authority to make decisions is limited to the time when the patient is incapacitated and must be in accordance with what the patient would want if the patient was able to communicate his or her wishes. While there are some decisions the surrogate cannot make, by law, such as consent to abortion or electroshock therapy, any specific limits on the surrogate's power to make decisions should be clearly expressed in the Health Care Surrogate Designation document.

Finally, there is the Durable Power of Attorney for Health Care. This document, when properly executed, designates a person as the individual's attorney-in-fact to arrange for and consent to medical, therapeutic, and surgical procedures for the individual. This type of advance directive can relate to any medical Condition.

A suggested form of Living Will and Designation of Health Care Surrogate is contained in Chapter 765 of the Florida Statutes. There is no requirement that you have an advance directive and your health care Provider cannot condition treatment on whether or not you have one. Florida law provides that, when there is no advance directive, the following persons are authorized, in order of priority, to make health care decisions on behalf of the patient:

1. a judicially appointed guardian;
2. a spouse;
3. an adult child or a majority of the adult children who are reasonably available for consultation;
4. a parent;
5. siblings who are reasonably available for consultation;
6. an adult relative who has exhibited special care or concern, maintained regular contact, and is familiar with the person's activities, health and religious or moral beliefs;
7. a close friend who is an adult, has exhibited special care and concern for the person, and who gives the health care facility or the person's attending Physician an affidavit stating that he or she is a friend of the person who is willing to become involved in making health care decisions for that person and has had regular contact with the individual so as to be familiar with the person's activities, health, religious and moral beliefs.

Deciding whether to have an advance medical directive, and if so, the type and scope of the directive, can be complex. It may be helpful for you to discuss advance directives with your spouse, family, friends, religious or spiritual advisor or attorney. The goal in creating an advance directive should be for a person to clearly state his or her wishes and ensure that the health care facility, Physician and whomever else will be faced with the task of carrying out those wishes knows what you would want.

It is our policy to recognize your right to make health care treatment decisions in accordance with your own personal beliefs. You have a right to decide whether or not to execute an advance directive to guide treatment decisions in the event you become unable to do so. We will not interfere with your decision. It is your responsibility to provide notification to your Providers that an advance directive exists. If you have a written advance directive, we recommend that you furnish your Providers with a copy so that it can be made a part of your medical record.

Florida law does not require a health care Provider or facility to commit any act which is contrary to the Provider's or facility's moral or ethical beliefs concerning life-prolonging procedures. If a Provider or facility in our network, due to an objection on the basis of conscience, would not implement your advance directive, you may request treatment from another Provider or facility.

Our Providers have varying practices regarding the implementation of an individual's advance directive, in accordance with state law. Therefore, we recommend that you have discussions about advance directives with your medical care givers, family members and other friends and advisors. Your Physician should be involved in the discussion and informed clearly and specifically of any decisions reached. Those decisions need to be revisited in light of the passage of time or changes in your medical Condition or environment.

Complaints concerning noncompliance with advance directives may be submitted to the following address:

Agency for Health Care Administration
Bureau of Managed Health Care
Building 1, Room 311
2727 Mahan Drive
Tallahassee, Florida 32308

We hope this information has been helpful to your understanding of your rights under the Patient Self-Determination Act and Florida law.

DEFINITIONS

The following definitions will help you understand the terms that are used in this Contract, including the Schedule of Benefits and any Endorsements that are part of this Contract. As you read through this Contract you can refer to this section; we have identified defined terms in the Contract, the Schedule of Benefits and any Endorsements by capitalizing the first letter(s) of the term.

A

Accident means an unintentional, unexpected event, other than the acute onset of a bodily infirmity or disease, which results in traumatic injury. This term does not include injuries caused by surgery or treatment for disease or illness.

Accidental Dental Injury means an injury to Sound Natural Teeth caused by a sudden, unintentional, and unexpected event or force. This term does not include injuries to the mouth, structures within the oral cavity, or injuries to natural teeth caused by biting or chewing, surgery, or treatment for a disease or illness.

Adoption or Adopt(ed) means the act of creating a legal parent/child relationship where it did not exist, declaring that the child is legally the child of the adoptive parents and their heir-at-law and is entitled to all the rights and privileges and subject to all the obligations of a child born to such adoptive parents, or as defined by Florida law or a similar applicable law of another state.

Advanced Payments of the Premium Tax Credit (APTC) means payment of the tax credits specified in section 36B of the Code (as added by section 1401 of the Affordable Care Act) which are provided on an advance basis to an eligible individual enrolled in a QHP through the Marketplace in accordance with sections 1402 and 1412 of the Affordable Care Act.

Adverse Benefit Determination means any denial, reduction or termination of coverage, benefits, or payment (in whole or in part) under this Contract in connection with:

1. a Pre-Service Claim or a Post-Service Claim;
2. a Concurrent Care Decision, as described in the CLAIMS PROCESSING section; or
3. Rescission of coverage, as described in the TERMINATION OF COVERAGE section.

Allowed Amount means the maximum amount upon which payment will be based for Covered Services. The allowed amount may be changed at any time without notice to you or your consent.

1. In the case of an In-Network Provider located in Florida, this amount will be established in accordance with the applicable agreement between that Provider and Florida Blue.
2. In the case of an In-Network Provider located outside of Florida, this amount will generally be established in accordance with the negotiated price that the on-site Blue Cross and/or Blue Shield Plan ("Host Blue") passes on to us, except when the Host Blue is unable to pass on its negotiated price due to the terms of its Provider contracts. See the BLUECARD PROGRAM section for more details.

3. In the case of Out-of-Network Providers located in Florida who participate in the Traditional Program, this amount will be established in accordance with the applicable agreement between that Provider and Florida Blue.
4. In the case of Out-of-Network Providers located outside of Florida who participate in the BlueCard Traditional Program, this amount will generally be established in accordance with the negotiated price that the Host Blue passes on to us, except when the Host Blue is unable to pass on its negotiated price due to the terms of its Provider contracts. See the BLUECARD PROGRAM section for more details.
5. In the case of an Out-of-Network Provider that has not entered into an agreement with Florida Blue to provide access to a discount from the billed amount of that Provider for the specific Covered Services provided to you, the allowed amount will be the lesser of that Provider's actual billed amount for the specific Covered Services or an amount established by Florida Blue that may be based on several factors, including but not limited to: (i) payment for such Covered Services under the Medicare and/or Medicaid programs; (ii) payment often accepted for such Covered Services by that Out-of-Network Provider and/or by other Providers, either in Florida or in other comparable market(s), that we determine are comparable to the Out-of-Network Provider that rendered the specific Covered Services (which may include payment accepted by such Out-of-Network Provider and/or by other Providers as participating Providers in other Provider networks of third-party payers which may include, for example, other insurance companies and/or health maintenance organizations); (iii) payment amounts which are consistent, as determined by us, with our Provider network strategies (e.g., does not result in payment that encourages Providers participating in a Florida Blue network to become non-participating); and/or, (iv) the cost of providing the specific Covered Services. In the case of an Out-of-Network Provider that has not entered into an agreement with another Blue Cross and/or Blue Shield organization to provide access to discounts from the billed amount for the specific Covered Services under the BlueCard Program, the allowed amount for the specific Covered Services provided to you may be based upon the amount provided to Florida Blue by the other Blue Cross and/or Blue Shield organization where the Services were provided at the amount such organization would pay non-participating providers in its geographic area for such Services.

In no event will the allowed amount be greater than the amount the Provider actually charges.

If a particular Covered Service is not available from any Provider that is in the BlueSelect Network, as determined by us, the allowed amount, whenever Florida Statute 627.6471 applies, means the usual and customary charge(s) of similar Providers in Florida.

You may obtain an estimate of the allowed amount for particular Services by calling the customer service phone number on your ID Card. The fact that we may provide you with such information does not mean that the particular Service is a Covered Service. All terms and conditions included in this Contract apply. You should refer to the WHAT IS COVERED? section of this Contract and your Schedule of Benefits to determine what is covered and how much we will pay.

Please specifically note that, in the case of an Out-of-Network Provider that has not entered into an agreement with Florida Blue to provide access to a discount from the billed amount of that Provider, the allowed amount for particular Services is often substantially below the amount billed by such Out-of-Network Provider for such Services. You will be responsible for any difference between our allowed amount and the amount billed for Covered Services by any such Out-of-Network Provider.
